THE CLT 1100

COLOR LASER PRINTER

71 00 DT

The Speed You Need

Today, business information has a short life span, and it seems as you're constantly updating your communications. With the Ricoh® Aficio® CL7100, you'll always be able to deliver current information that looks its best.

It outputs 35 ppm in both color and black & white—even in duplex mode—so you can eliminate the cost—and time—of outsourcing. The Aficio CL7100's rapid first-print-out times of just 12 seconds for color and 11 for black & white are ideal for a workgroup or small department that uses shared network printers.

Seamlessly Fits into Your Environment

Take advantage of Ricoh Web Image Monitor, an Internet browser-based utility that enables you to set output parameters, check toner and paper levels, and even reset the printer—all right from the desktop! Even better, you can program the Aficio CL7100 to automatically send an e-mail when toner or paper levels get low or the printer needs service. The Aficio CL7100 also comes with Rendezvous support, which automatically integrates the Aficio CL7100 with all Macs on the network.

The Aficio CL7100 is available with Web JetAdmin Plug-in for HP's printer management utility so your IT staff can manage and monitor Ricoh printers without having to change the way they work.

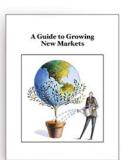

With a choice of printer drivers – Ricoh RPCS, PCL 5c emulation and Adobe PostScript 3, the Aficio CL7100 fits in seamlessly into any environment—PC, Macintosh and UNIX. Using the Aficio CL7100's RPCS driver, you can save print quality and finishing settings as an icon for single-click setups, along with outstanding performance when printing from Windows-based applications.

Designed for the Wired World— and the Wireless One, too!

The Aficio CL7100 is engineered for today's networked world. In addition to standard 10/100BaseTX and USB 2.0, an optional IEEE 802.11b or Bluetooth wireless interface enables you to print to the Aficio CL7100 from just about anywhere in the office.

Polish Your Image

With the Aficio CL7100, your documents can break through

the "clutter" to make a great impression. With its ability to print at a true resolution of 1,200 x 1,200 dpi on stocks as heavy as 90 lb index, the Aficio CL7100 can output materials of lasting value.

And, using the optional Booklet Finisher, you can generate brochures, catalogs and documents

> that look like they came directly from a commercial printer. Now, you can keep production in-house to save time and money!

PDF Direct Print

The Aficio CL7100 features PDF Direct Print, which minimizes the impact of printing PDFs on both users' PCs and the network. PDF Direct Print eliminates spooling on the host PC, so you can get back to work immediately, and transfers the much smaller PDF

file to the Aficio CL7100, preventing network traffic. You can even print PDFs without launching Acrobat Reader.

Print Securely

If you print sensitive documents, you won't have to worry with the Aficio CL7100. The Locked Print (Secure Print) feature requires you to input a PIN at the Aficio CL7100 operator panel before it will output the file. Or, you can encrypt the file and transmit it to an Aficio CL7100 with the appropriate certificate. Either way, your document will be protected.

Complete Convenience

The Aficio CL7100 gives your workgroup a powerful yet costeffective way to generate high-quality documents. Now you can eliminate outsourcing and produce professional-looking brochures, collateral and proposals right from your desktop.

Easily outperforming other color laser printers in its class, the Aficio CL7100 combines high-speed, business-class color and black & white printing with features and options typically reserved for high-end monochrome systems, including extralarge paper capacity, automatic duplexing and optional finishing.

With real-time management utilities, the Aficio CL7100 provides administrators detailed information and the ability to manage the system remotely.

The Aficio CL7100 gives your workgroup a powerful combination of speed, color and versatility.

- Delivering 35 ppm in both color and black & white
- Outstanding quality 1,200 x 1,200 dpi resolution
- Wireless connectivity: 802.11b and Bluetooth interfaces
- Exceptional paper capacity: up to 3,100 sheets
- Professional finishing with a single mouse click

L7100 LASER

General Specifications

Configuration:	Desktop (Base Model)		
Technology:	Laser beam scanning, electro-photographic printing and dual-component toner		
	development		
Resolution:	1,200 x 1,200 dpi, 1,200 x 600 dpi, 600 x 600 dpi		
Printing Speed:	Plain Paper (8.5 " x 11 "): 35 ppm full-color, 35 ppm black & white @ 1,200 x 600		
	dpi or 600 x 600 dpi; 14 ppm @ 1,200 x 1,200 dpi; 11 " x 17 "/A3: 16 ppm @		
	1,200 x 600 dpi or 600 x 600 dpi; 7 ppm @ 1,200 x 1,200 dpi		
	Thick Papers/Transparencies: 10 ppm full-color or black & white		
	Duplex: Same as simplex printing speed		
First Print Speed:	12 seconds or less, full-color; 11 seconds or less, black & white		
Dimensions (WxDxH):	Base: 22.7 " x 26.7 " x 29.4 " / 575 x 678 x 745mm		
	D: 26.6 " x 26.7 " x 29.4 " / 675 x 678 x 745mm		
	DT1: 26.6 " x 26.7 " x 35.4 " / 675 x 678 x 899mm		
	DT2/DL: 26.6 " x 26.7 " x 39.3 " / 675 x 678 x 997mm		
Weight:	Base: 187 lb / 85kg		
	D: 205 lb / 93kg		
	DT1: 245 lb / 111kg		
	DT2/DL: 260 lb / 118kg		
Input Capacity:	Bypass Tray: 100 sheets, plus		
	Base / D: 2 x 500-sheets		
	DT1: 3 x 500-sheets		
	DT2: 4 x 500-sheets		
	DL: 2 x 500 + 2,000-sheets		
	Maximum: 3,100 sheets		
Output Capacity:	Standard: 500 sheets, plus 100-sheets face-up output tray		
	Optional Booklet Finisher: 1,000 sheets		
	Optional Finisher: 2,500 sheets		
	Maximum Output Capacity: 3,100 sheets with Finisher option		
Paper Sizes:	Trays: 8.5 " x 11 ", 8.5 " x 14 ", 11 " x 17 ", 7.5 " x 10.5 ", 8 " x 13 ", 8.25 " x 13 ",		
•	8.5 " x 13 ", A5, A4, A3		
	Bypass Tray: Width 3.5" to 12" (90 to 148mm); Length 5.8" to 18"		
	(148 to 457mm) - PCL 5c/PS3; long papers to 49.6" (1,260mm) - RPCS		
Paper Weights:	Trays: 16 to 28 lb bond / 60 to 105g/m ²		
	Bypass Tray: 16 lb bond to 90 lb index / 60 to 163g/m ²		
Paper Types:	Plain Paper, Laser-printer qualified transparencies*, card stock*, labels*		
A M	(Bypass Tray and Face-Up Output Tray only)		
Duplex Printing:	Base: Optional; Others: Standard		
Power Consumption:	1,440 watts or less, Energy Saver mode: 15 watts or less		
Warm-Up Time:	99 seconds		
Safety Regulations:	UL 1950 / cUL, CSA No. 950, FDA-21 CFR-J, FCC Class B		

Paper Handling Options:

500 sheets x 1 tray Type 7100	(Part #402085)
500 sheets x 2 tray Type 7100	(Part #402086)
2,000-Sheet Large Capacity Tray Type 7100	(Part #402087)
Stand FAC27	(Part #402268)
Duplex Unit Type 7100	(Part #402088)
Booklet Finisher SR910	(Part #411583)

Paper Sizes: Plain paper and sizes supported through standard trays

Stack Capacity: Folded: 10 sets (6-10 sheets/set) or 20 sets (2-5 sheets/set)

Sorted: 1,000 sheets (8.5 " x 11 "/A4) or 500 sheets: 8.5 " x 14 " to 11 " x 17 " (A4 to A3)

Staple Capacity: 50 sheets (8.5 " x 11 " / A4), 25 sheets (8.5 " x 14 " to 11 " x 17 " / A3),

10 sheets (booklet)

8.5 x 11 x, 8.5 x 14 x, 11 x 17 x, A4, A3 Staple/Booklet Paper Size:

1 Staple: 2 positions; 2 Staples: left and center (saddle stitch) Staple Position:

Staple/Booklet Paper Weights: 17 to 21 lb bond (64 to 80g/m²) **Hole Punch:** Optional

(Part #411585) **Number of Holes** Two or Three (Part #402017)

Finisher (Staple/Stacker) SR770

Paper Sizes: Plain paper and sizes supported through standard trays

Upper Tray: 500 sheets (8.5 "x 11" / A4) or 250 sheets (8.5 "x 14" or 11 "x 17" / A3); Lower Tray: 2,000 sheets (8.5 "x 11"/A4) or 750 sheets (8.5 "x 14" or Stack Capacity:

11" x 17"/A3)

50 sheets (8.5" x 11" / A4) or 30 sheets (8.5" x 14" or 11" x 17" / A3) 8.5" x 11", 8.5" x 14", 11" x 17", A4, A3 **Staple Capacity:** Staple Paper Size:

Staple Paper Weight: 17 to 24 lb bond (64 to 90g/m²)

Hole Punch: Optional (Part #410785) Number of Holes: Two or Three

Notes: Only one of 500 x 1, 500 x 2, 2,000-sheet input tray or stand can be installed simultaneously.

Duplex unit and a Paper Tray are required to install Finisher or Booklet Finisher.

Finisher and Booklet Finisher cannot be installed simultaneously.

	PCL 5c emulation: Windows 95 / 98 / Me / NT4.0 / 2000 / XP / Server 2003	

Memory Options

Printer Hard Disk Type 7100 (40GB)

(Part #402089)

Hard disk drive is necessary for Locked Print, Sample Print, Job Spooling and permanent font downloading; either hard disk drive or 192MB RAM is necessary for sorting (RIP once and Print Many) / stapling / booklet making; hard disk drive is recommended for PDF Direct Print. HDD is optional on the Base and CL7100D; HDD is standard on other configurations.

144-pin DIMM; SDRAM (PC133 compliant)

128MB (Part #001179MIU), 256MB (Part #001180MIU)

Min. 192MB is recommended to duplex print at highest resolution (1200 x 1200 dpi) and print papers longer than 18". 192MB is required to print at high quality (2 bits per pixel) gradation with PCL 5c printer driver.

Interface Options

*Note: Only one additional interface can be installed. (Part #411264)

IEEE 1394 Interface Board Type B **Hardware Specifications:** 6 pins: 2 ports available

Data Transmission Speeds: 400 Mbps, 200 Mbps, 100Mbps

System Requirements: Windows 2000 Professional / Server with Service Pack 1; Windows XP for IP over

IEEE 1394 (TCP/IP Protocol)

IEEE 802.11b Wireless LAN Interface Type C

(Part #411265)

Data Transmission speed: 11 / 5.5 / 2 / 1Mbps Note: Cannot be used simultaneously with 10/100BaseTX interface. Must be manually selected at the operator control panel.

Bluetooth Interface Type 2238 (Part #411603) Data Transmission Speed: 1Mbps IEEE 1284 Parallel Interface Board Type A (Part #411699) (Part #402047) User Account Enhance Unit Type D

Printing usage can be monitored, and users can be restricted from color printing with SmartDeviceMonitor for Admin and Web Image Monitor.

Supplies (Yields are based on 5% coverage on letter-size/A4 page)

Black Toner	Approximately 20,000 pages	(Part #885372)
Cyan Toner	Approximately 10,000 pages	(Part #885375)
Magenta Toner	Approximately 10,000 pages	(Part #885374)
Yellow Toner	Approximately 10,000 pages	(Part #885373)
Black Image Drum		(Part #402051)
Color Image Drums		(Part #402050)
Black Development Unit		(Part #400962)
Color Development Units		(Part #400961)
Waste Toner Bottle		(Part #400662)
Fusing Unit		(Part #402052)
Oil Supply Unit		(Part #400878)
Staple Cartridge for SR7	(Part #410801)	
Refills for Staple Cartrid	(Part #410802)	
Staple Cartridge for Booklet Finisher Type P (5,000 shots)		(Part #411730)
