RICOH PRIPORT JP1235

Digital Duplicator

Reliable, Low-Cost Printing for Both Administration and Classrooms

RICOH®

## Quality, Economy and Easy Operation For Both Teachers and Administrators

The RICOH® Priport JP1235 Digital Duplicator is the newest generation in Ricoh's award-winning series of digital duplicators for schools. The JP1235 offers the latest advanced features to meet all your output needs, with speeds of up to 130 pages per minute.

Cost-per-copy less than a copier or laser printer. The Ricoh Priport JP1235 prints at a fraction of the cost of either copiers or laser printers. Pages typically cost just one-third of a cent, while the purchase price of the Ricoh JP1235 is significantly less than the price of a standard 130 page per minute high-volume copier.
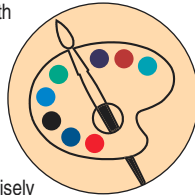

1/3¢ Cost Per Page

Open-book scan and print technology. Ricoh, the first manufacturer to offer the convenience of open-book copying on a low-cost duplicator, continues this feature with the Ricoh Priport JP1235. Additionally, the JP1235 offers a Shadow Erase function that eliminates the annoying edge and center shadows typically produced when copying from textbooks.

Prints directly from any desktop. With either the optional embedded or stand-alone print controller, desktop composed documents, running on a Windows or Macintosh* operating system, can be quickly downloaded to the Ricoh Priport JP1235 with a single click of a mouse.
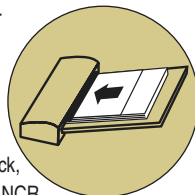

Even reproduce photos sharply and clearly. Sophisticated image-reading software automatically recognizes and separates line, text and photographic areas. Additionally, the Ricoh Priport JP1235 has a Fine Mode that prints fine lines at a resolution of 300 x 400 dpi for extra-sharp clarity.

Output to brilliant colors. The Ricoh Priport JP1235 can print a virtually unlimited array of both standard and special order colors. Custom inks from across the color spectrum are available for creating documents with precisely the look you require. And the shade of each color can be adjusted by using Tint Mode, expanding your palette even further. Swapping the optional color drums is a breeze with the Ricoh Priport System.

New advanced features The Ricoh Priport JP1235 has:
• an improved Paper Feeding system with three pressure levels to ensure smooth feeds of virtually any type stock, including envelopes, NCR, construction paper and cards
• Image Rotation capability that rotates the image 90 degrees and enables two originals to be placed side-by-side on sheets up to 8.5" x 14" and
• an energy saving Standby Mode.

Environmentally friendly operation. Safe and clean for every school environment. Our earth-friendly consumables are water-based and odorless.
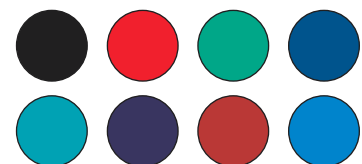

Specifications
Mainframe: Priport JP1235 (EDP205760)

Configuration:	Desktop book copying
Copying Speed:	User adjustable: 80, 100, 130 ppm
Originals:	Sheet/Book; Max. 10.1" x 14.3" (Platen); Min. 5.8" x 4.1"; Max. 10.1" x 14.3" (ADF)
Paper Size:	Max. 10.6" x 15.4", Min. 3.5" x 5.8"
Paper Weight:	13 lb. bond to 110 lb. index
Printing Area:	Max. 8.3" x 13.9"
First Copy Time:	28 seconds (letter size)
Image Modes:	Letter; Photo; Letter & Photo Auto Separation
Pixel Density:	300 dpi (Fine Mode: 300 x 400 dpi)
Spot Color:	Unlimited selection of colors with both standard and PMS color matching using optional replacement color drum
Reproduction Ratios:	4 reduction: 93%, 77%, 74%, 65% 3 enlargement: 121%, 129%, 155%
Paper Feed/Delivery Capacity:	1,000 sheets each (20 lb. paper)
Master Roll Capacity:	260 masters per roll (based on "LG" drum)
Eject Tray Capacity:	More than 70 masters
Power Source:	120V 60Hz 2.5A
Power Consumption:	Max. 250W, Energy Saving Mode Less than 10W
Dimensions (WxDxH):	46.7" x 25.6" x 22.3" (Mainframe)
Weight:	143 lbs.
Special Features:	Three Feed Pressure Levels, Standby Mode, Image Rotation, Economy Mode, Margin Erase, Memory & Class Mode, No-Waste Confidential Mode, Skip Feed, SP Mode, Tint Mode, User Code Audit Mode, User Program Mode
Optional Equipment:	Automatic Document Feeder DF-35 (EDP205772), Color Drum (EDP205774), UC5 Controller (EDP205523), UC5e Controller (EDP205522), UC6 Controller (EDP205524), Single Front Door Caster Supported Storage Cabinet (001438MIU), Tape Separator (EDP205720)
