

<b>Model</b>	Sorter Adapter for F24/F12/F13/F23/F25	<b>Volt/Hz</b>	<b>Date of Modification</b>	<b>Serial Number</b>
<b>Modified Article</b>	Transport Roller			
<b>Reason for Modification</b>	To improve reliability and durability of transport roller			

Under high humidity and high temperature conditions, individual rollers on the transport roller assembly sometimes slip off the shaft. To improve the reliability and durability of the transport roller, the material of the rollers has been changed from ester rubber to ether rubber. The interchangeability is X/O.
