Revision	Date	Note
3.8.0	08/2006	Driver update for ESCI Firmware 3.82 and ESU Firmware 3.83 - ESU support added to ESCI driver

Additional Help for LabVIEW drivers

The LabVIEW instrument driver consists of a ZIP archive containing the driver sources (LLB and MNU files). In addition, the instrument driver documentation is included in compressed HTML format (Windows CHM help file) stored together with the LV driver sources.

Each VI's help is linked to the section in the "CHM" file that describes all the features of the VI.

LabVIEW 6.0 driver
