

Certificate No.: 2013-56

This is to certify that:

Equipment type	Stock No.	Designation
FSWxx	1312.8000nXX	SIGNAL ANALYZER
xx = 00 bis 99	XX = 00 – 99	
	n = „.“ Oder „K“	

complies with the provisions of the Directive of the Council of the European Union on the approximation of the laws of the Member States

- relating to electrical equipment for use within defined voltage limits (2006/95/EC) [LVD]
- relating to electromagnetic compatibility (2004/108/EC) [EMCD]

Conformity with LVD and EMCD is proven by compliance with the following standards:

EN 61010-1: 2010
EN 61326-1: 2006
EN 61326-2-1: 2006
EN 55011: 2009 + A1: 2010 Group I, Class B equipment
EN 61000-3-2: 2006+A1:2009 + A2:2009
EN 61000-3-3: 2008

For the assessment of electromagnetic compatibility, the limits of radio interference for Class B equipment as well as the immunity to interference for operation in industry have been used as a basis.
