**STURM, RUGER & COMPANY, INC.  
LACEY PLACE, SOUTHPORT, CONNECTICUT 06890  
PROXY STATEMENT  
2006 ANNUAL MEETING OF THE STOCKHOLDERS**

**PROXY SOLICITATION AND VOTING INFORMATION**

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Sturm, Ruger & Company, Inc. (the "Company") for use at the 2006 Annual Meeting of Stockholders (the "Meeting") of the Company to be held at 10:30 a.m. on May 24, 2006 at The Westport Inn, 1595 Post Road East, Westport, Connecticut 06880 or at any adjournment or postponement thereof for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders. This Proxy Statement and enclosed proxy are first being sent to stockholders on or about April 26, 2006.

The mailing address of the principal executive office of the Company is Lacey Place, Southport, Connecticut 06890.

If the enclosed proxy is signed and returned, it will be voted in accordance with its terms. However, a stockholder of record may revoke his or her proxy before it is exercised by (i) giving written notice to the Company's Secretary at the Company's address indicated above, (ii) duly executing a subsequent proxy relating to the same shares and delivering it to the Company's Secretary at or before the Meeting, or (iii) attending the Meeting and voting in person (although attendance at the Meeting will not, in and of itself, constitute revocation of a proxy). All expenses in connection with the solicitation of these proxies, which are estimated to be \$100,000, will be borne by the Company.

The Annual Report of the Company for the year ended December 31, 2005, including financial statements, is enclosed herewith.

Only holders of Common Stock, \$1.00 par value, of the Company (the "Common Stock") of record at the close of business on April 20, 2006 will be entitled to vote at the Meeting. Each holder of record of the issued and outstanding shares of voting Common Stock is entitled to one vote per share. As of April 20, 2006, 26,910,720 shares of Common Stock were issued and outstanding and there were no outstanding shares of any other class of stock. The stockholders holding a majority of the issued and outstanding Common Stock, either present in person or represented by proxy, will constitute a quorum for the transaction of business at the Meeting.

In accordance with the Company's by-laws and applicable law, the election of Directors will be determined by a plurality of the votes cast by the holders of shares present in person or by proxy and entitled to vote. Consequently, the five nominees who receive the greatest number of votes cast for election as Directors will be elected. Shares present which are properly withheld as to voting with respect to any one or more nominees, and shares present with respect to which a broker indicates that it does not have authority to vote ("broker non-votes") will be counted as being present at the Meeting. However, these shares will not be counted as voting on the election of Directors, with the result that

such abstentions and broker non-votes will have the same effect as votes against the election of Directors.

The affirmative vote of shares representing a majority of the shares present and entitled to vote is required to approve the appointment of McGladrey & Pullen, LLP as the Company's independent auditors for the 2006 fiscal year, which is also to be voted on at the Meeting, and to approve any other matters properly presented at the Meeting. Shares which are voted to abstain on these matters and broker non-votes will be considered present at the Meeting but will not be counted as voting for these matters, with the result that abstention and broker non-votes will have the same effect as votes against the proposal.

## **PROPOSAL NO. 1**

### **ELECTION OF DIRECTORS**

Five Directors will be elected at the Meeting, each to hold office until the next Annual Meeting of Stockholders or until his successor is elected and has qualified. At their July 26, 2005 meeting, the Board of Directors voted to increase the number of Directors from six to eight, and elected John A. Cosentino, Jr. and Joseph C. Strasser, RADM, USN (ret.) to the Board effective August 1, 2005. Townsend Hornor, a Director since 1972, passed away on September 11, 2005, and on October 20, 2005, rather than fill the vacancy left by Mr. Hornor's death, the Board of Directors acted to reduce the number of Directors from eight to seven. Rear Admiral Strasser resigned from the Board of Directors for health reasons effective January 28, 2006 and on January 31, 2006 the Board amended the Company's By-Laws to reduce the number of Directors to six rather than fill the vacancy left by Rear Admiral Strasser's resignation. On February 13, 2006, William B. Ruger, Jr. voluntarily resigned as a Director and as Chairman of the Board, and retired as Chief Executive Officer of the Company effective February 28, 2006. On February 15, 2006, the Board voted to amend the Company's By-Laws to reduce the number of Directors to five rather than fill the vacancy left by Mr. Ruger's resignation, and also authorized the amendment of the Company's By-Laws in order to appoint a non-executive Chairman of the Board, naming Vice Admiral James E. Service to this position. The Board also named Stephen L. Sanetti as interim Chief Executive Officer effective as of February 28, 2006.

With the exception of Mr. Cosentino, all of the five nominees for Director listed below were elected at last year's Annual Meeting. If no contrary instructions are indicated, proxies will be voted for the election of the nominees for Director listed below. Should any of the said nominees for Director not remain a candidate at the time of the Meeting (a condition which is not now anticipated), proxies solicited hereunder will be voted in favor of those nominees for Director selected by management of the Company.

The following table sets forth certain information concerning each nominee's age, business experience, other directorships in publicly-held corporations and the number and percentage of shares of Common Stock of the Company beneficially owned by such nominee as of February 15, 2006.

## THE BOARD OF DIRECTORS AND ITS COMMITTEES

### General

The Board of Directors is committed to good business practice, transparency in financial reporting and the highest level of corporate governance. To that end, the Board of Directors and its committees continually review the Company's governance policies and practices against the practices of other public companies, specialists in corporate governance, the rules and regulations of the Securities and Exchange Commission (the "SEC"), Delaware law (the state in which the Company is incorporated) and the listing standards of the New York Stock Exchange, Inc. ("NYSE"). As a result of these reviews, the Board of Directors has, over the past several years, among other things:

- Adopted a revised charter for the Audit Committee;
- Adopted a charter for the Compensation Committee;
- Established and adopted a charter for the Nominating and Corporate Governance Committee;
- Adopted a Code of Business Conduct and Ethics;
- Adopted Corporate Board Governance Guidelines;
- Adopted a method by which stockholders can send communications to the Board of Directors;
- Adopted procedures for the succession of the Chief Executive Officer;
- Adopted criteria for the selection of new Directors; and
- Caused the non-management Directors of the Board of Directors to meet regularly in executive sessions.

### Corporate Board Governance Guidelines

The Company's corporate governance practices are embodied in the Corporate Board Governance Guidelines. A copy of the Corporate Board Governance Guidelines is posted on the Company's website at [www.ruger.com](http://www.ruger.com), and is available in print to any stockholder who requests it by contacting the Corporate Secretary as set forth in "Stockholder Communications" below.

### Board of Directors

The Company's business and affairs are under the direction of the Board of Directors of the Company pursuant to the General Corporation Law of the State of Delaware as in effect from time to time and the Company's By-Laws. Members of the Board of Directors are kept informed of the Company's affairs through discussions with the Company's executive officers, by careful review of materials provided to them and by participating in meetings of the Board of Directors and the committees of the Board of Directors.

More than a majority of the current Directors are "independent" under the rules of the NYSE. The Board of Directors has affirmatively determined that none of Messrs. Cosentino, Cunniff, Hornor (prior to his death on September 11, 2005), Kingsley, Service and Strasser (prior to his resignation on January 28, 2006) has or had a material relationship with the Company or any affiliate of the Company,

either directly or indirectly, as a partner, shareholder or officer of an organization (including a charitable organization) that has a relationship with the Company, and are therefore “independent” for such purposes under the rules of the NYSE, including Rule 303A thereof.

The Board of Directors held five meetings during 2005, including one special telephonic meeting. With the exception of Richard T. Cunniff, who attended four meetings of the Board of Directors and last year’s Annual Meeting of Stockholders, all Directors attended all meetings of the Board of Directors as well as last year’s Annual Meeting of Stockholders. It is the policy of the Company that attendance at all meetings of the Board of Directors and the Annual Meeting of Stockholders of the Company is expected of all Directors, unless the Director has been previously excused by the Chairman of the Board of Directors for good cause.

### **Director Compensation**

The Board of Directors believes that compensation for our independent directors should be a combination of cash and equity-based compensation.

During 2005, the Company paid each independent Director \$20,000 in annual fees for services as a member of the Board of Directors. Each Director who was not independent received \$6,000 in annual fees.

During 2005, each independent Director received an attendance fee of \$1,500 per meeting, and each Director who was not independent received an attendance fee of \$500 per meeting. Each independent Director received \$1,500 for each committee meeting attended, and any chairman of such committee received \$2,000 for each committee meeting attended. On December 20, 2005, the Board of Directors approved a policy regarding payment of fees for telephonic meetings of the Board and its committees, whereby each independent Director received an attendance fee of \$750 per telephonic Board or Committee meeting, and each Director who was not independent received an attendance fee of \$250 per Board meeting retroactive to November 23, 2005.

No Director who was not independent served on any committees of the Board of Directors. All Directors were reimbursed for out-of-pocket expenses related to attendance at meetings.

On January 5, 2001, each independent Director then serving as a director of the Company (Messrs. Service, Kingsley and Cunniff) was granted a non-qualified stock option to purchase 20,000 shares of Common Stock at an exercise price of \$9.875 per share under the 2001 Stock Option Plan for Non-Employee Directors, which was approved by the stockholders of the Company on May 3, 2001. These options vested and became exercisable in four equal annual installments of 25% of the total number of options awarded, beginning on the date of grant and on each of the next succeeding three anniversaries thereafter, and all such options are therefore currently vested and exercisable. On August 1, 2005, John A. Cosentino, Jr. and Joseph C. Strasser were each granted a non-qualified stock option to purchase 20,000 shares of Common Stock at an exercise price of \$10.88 per share under the 2001 Stock Option Plan for Non-Employee Directors. These options vest and became exercisable in four equal annual installments of 25% of the total number of options awarded, beginning on the date of grant and on each of the next succeeding three anniversaries thereafter. Rear Admiral Strasser’s non-vested options expired upon his resignation on January 28, 2006.

### **Audit Committee**

In 2005, the members of the Audit Committee of the Board of Directors were John M. Kingsley, Jr., Richard T. Cunniff, James E. Service and Townsend Hornor (until his death on September 11,

2005). Mr. Kingsley, Jr. served as Committee Chairman. On October 20, 2005, the Board appointed John A. Cosentino, Jr. and Joseph C. Strasser as members of the Audit Committee. Each of Messrs. Kingsley, Cosentino, Cunniff and Service are, and Messrs. Hornor and Strasser were, considered "independent" for purposes of service on the Audit Committee under the rules of the NYSE, including Rule 303A thereof, and Rule 10A-3 under the Securities and Exchange Act of 1934, as amended (the "Exchange Act"). All members of the Audit Committee are financially literate and have a working familiarity with basic finance and accounting practices. In addition, the Company has determined that Mr. Kingsley is an "audit committee financial expert" as defined by SEC rules and regulations.

The purpose of the Audit Committee is to provide assistance to the Board of Directors in fulfilling its responsibility with respect to its oversight of: (i) the quality and integrity of the Company's financial statements; (ii) the Company's compliance with legal and regulatory requirements; (iii) the independent auditor's qualifications and independence; and (iv) the performance of the Company's internal audit function and independent auditors. In addition, the Committee shall prepare the report required by SEC rules to be included in the Company's annual proxy statement.

The Audit Committee is governed by a written charter adopted by the Board of Directors. A copy of the Audit Committee charter is posted on the Company's website at [www.ruger.com](http://www.ruger.com), and is available in print to any stockholder who requests it by contacting the Corporate Secretary as set forth in "Stockholder Communications" below.

In fiscal 2005, Mr. Kingsley, Jr. attended nine meetings of the Audit Committee, Mr. Cunniff and Vice Admiral Service each attended eight meetings of the Audit Committee, Mr. Cosentino and Rear Admiral Strasser each attended one meeting of the Audit Committee following their individual appointments to the Committee, and Mr. Hornor attended six meetings of the Audit Committee prior to his death on September 11, 2005. The annual Report of the Audit Committee is included in this Proxy Statement.

### **Compensation Committee**

In 2005, the members of the Compensation Committee of the Board of Directors were James E. Service, Richard T. Cunniff, John M. Kingsley, Jr. and Townsend Hornor (until his death on September 11, 2005). Vice Admiral Service served as Committee Chairman until October 20, 2005, at which time the Board appointed John A. Cosentino, Jr. and Joseph C. Strasser as members of the Compensation Committee and appointed Mr. Cosentino as Committee Chairman. Each of Messrs. Cosentino, Cunniff, Kingsley, and Service are, and Messrs. Hornor and Strasser were, considered "independent" for purposes of service on the Compensation Committee under the rules of the NYSE, including Rule 303A thereof.

The purposes of the Compensation Committee are (i) discharging the responsibilities of the Board of Directors with respect to the compensation of the Chief Executive Officer of the Company, the other executive officers of the Company and members of the Board of Directors, and under the Company's incentive and equity-based plans and (ii) producing an annual report on executive compensation to be included in the Company's annual proxy statement, in accordance with the rules and regulations of the NYSE and the SEC, and any other applicable rules or regulations.

The Compensation Committee is governed by a written charter adopted by the Board of Directors. A copy of the Compensation Committee charter is posted on the Company's website at [www.ruger.com](http://www.ruger.com), and is available in print to any stockholder who requests it by contacting the Corporate Secretary as set forth in "Stockholder Communications" below.

The Compensation Committee held four meetings during 2005, including one telephonic meeting for which the Compensation Committee members waived compensation. In addition to out-of-pocket expenses related to attendance at meetings, Vice Admiral Service received \$6,000, Messrs. Cunniff and Kingsley each received \$4,500, and Mr. Hornor received \$3,000 for service on the Compensation Committee in 2005, and Mr. Cosentino and Rear Admiral Strasser each received \$1,500 for their attendance at one Compensation Committee meeting at the invitation of the Committee Chairman prior to their appointment to the Committee. In fiscal 2005, Vice Admiral Service and Messrs. Cunniff and Kingsley, Jr. each attended four meetings of the Compensation Committee, Mr. Cosentino and Rear Admiral Strasser each attended two meetings of the Compensation Committee, including one meeting prior to their appointment to the Compensation Committee, and Mr. Hornor attended two meetings of the Compensation Committee prior to his death on September 11, 2005. The annual Compensation Committee Report on Executive Compensation is included in this Proxy Statement.

### **Nominating and Corporate Governance Committee**

In 2005, the members of the Nominating and Corporate Governance Committee were Townsend Hornor (until his death on September 11, 2005), Richard T. Cunniff, John M. Kingsley, Jr. and James E. Service. Mr. Hornor served as Committee Chairman until his death on September 11, 2005 and was succeeded by Vice Admiral Service as Committee Chairman on October 20, 2005. On October 20, 2005, the Board appointed John A. Cosentino, Jr. and Joseph C. Strasser as members of the Nominating and Corporate Governance Committee. Each of Messrs. Service, Cosentino, Cunniff, and Kingsley are, and Messrs. Hornor and Strasser were, considered "independent" for purposes of service on the Nominating and Corporate Governance Committee under the rules of the NYSE, including Rule 303A thereof.

The Nominating and Corporate Governance Committee is responsible to the Board of Directors for identifying, vetting and nominating potential Directors and establishing, maintaining and supervising the corporate governance program. Some of these responsibilities are discussed in more detail below.

The Nominating and Corporate Governance Committee is governed by a written charter adopted by the Board of Directors. The Nominating and Corporate Governance Committee charter is posted on the Company's website at [www.ruger.com](http://www.ruger.com), and is available in print to any stockholder who requests it by contacting the Corporate Secretary as set forth in "Stockholder Communications" below.

The Nominating and Corporate Governance Committee held ten meetings during 2005, including four telephonic meetings. The members of the Nominating and Corporate Governance Committee waived compensation for three of the four telephonic meetings of the Nominating and Corporate Governance Committee held during 2005. In addition to out-of-pocket expenses related to attendance at meetings, Vice Admiral Service received \$10,750, Mr. Kingsley received \$9,750, Mr. Cunniff received \$8,250, Mr. Hornor received \$8,000, and Mr. Cosentino and Rear Admiral Strasser each received \$2,250, including \$1,500 each for attendance at one Committee meeting prior to their appointment to the Committee at the invitation of the Committee Chairman, for service on the Nominating and Corporate Governance Committee in 2005. In fiscal 2005, Vice Admiral Service and Mr. Kingsley each attended ten meetings of the Nominating and Corporate Governance Committee, Mr. Cunniff attended nine meetings of the Nominating and Corporate Governance Committee, Mr. Cosentino and Rear Admiral

Strasser each attended five meetings of the Nominating and Corporate Governance Committee, and Mr. Hornor attended four meetings of the Nominating and Corporate Governance Committee prior to his death on September 11, 2005.

As required under its charter, the Nominating and Corporate Governance Committee has adopted criteria for the selection of new Directors, including, among other things, career specialization, technical skills, strength of character, independent thought, practical wisdom, mature judgment, and gender and ethnic diversity. Functional skills considered important for Directors to possess include experience as a chief executive or financial officer or similar position in finance, audit, manufacturing, advertising, military, or government, and knowledge and familiarity of firearms and the firearms industry. The Committee will also consider any such qualifications as required by law or applicable rule or regulation, and will consider questions of independence and conflicts of interest. In addition, the following characteristics and abilities, as excerpted from the Company's Corporate Board Governance Guidelines, will be important considerations of the Nominating and Corporate Governance Committee:

- personal and professional ethics, strength of character, integrity, and values;
- success in dealing with complex problems or have obtained and excelled in a position of leadership;
- sufficient education, experience, intelligence, independence, fairness, reasoning ability, practicality, wisdom, and vision to exercise sound and mature judgment;
- stature and capability to represent the Company before the public and the stockholders;
- the personality, confidence, and independence to undertake full and frank discussion of the Company's business assumptions;
- willingness to learn the business of the Company, to understand all Company policies, and to make themselves aware of the Company's finances; and
- willingness at all times to execute their independent business judgment in the conduct of all Company matters.

The charter also grants the Nominating and Corporate Governance Committee the responsibility to identify and meet individuals believed to be qualified to serve on the Board and recommend that the Board select candidates for directorships. The Nominating and Corporate Governance Committee's process for identifying and evaluating nominees for Director, as set forth in the charter, includes inquiries into the backgrounds and qualifications of candidates. These inquiries include studies by the Nominating and Corporate Governance Committee and may also include the retention of a professional search firm to be used to assist it in identifying or evaluating candidates. The Nominating and Corporate Governance Committee has to date retained the firm of Korn/Ferry International to assist in the search for qualified Directors.

The Nominating and Corporate Governance Committee has a written policy which states that it will consider Director candidates recommended by stockholders. There is no difference in the manner in which the Nominating and Corporate Governance Committee will evaluate nominees recommended by stockholders and the manner in which it evaluates candidates recommended by other sources. Any stockholder interested in recommending a candidate for consideration should send information relating to such stockholder's ownership of Common Stock of the Company, the biographical information about

the candidate as set forth under Proposal No. 1 of this Proxy Statement, a statement of the qualifications of the candidate and at least three business references, to the Corporate Secretary, Sturm, Ruger & Company, Inc., 1 Lacey Place, Southport, CT 06890. The Corporate Secretary will accept such recommendations and forward them to the Chairman of the Nominating and Corporate Governance Committee. In order to be considered for inclusion by the Nominating and Corporate Governance Committee as a candidate at the Company's next Annual Meeting of Stockholders, stockholder recommendations for Director candidates must be received by the Company on or before December 27, 2006.

The Company has not rejected any Director candidates put forward by a stockholder or group of stockholders who beneficially owned more than 5 percent of the Company's common stock for at least one year prior to the date of the recommendation.

### **Stockholder Communications**

The Board of Directors has adopted a method by which stockholders can send communications to the Board of Directors. Stockholders may communicate in writing any questions or other communications to the Board of Directors by contacting the Corporate Secretary at Sturm, Ruger & Company, Inc., 1 Lacey Place, Southport, CT 06890; or by telephone at (203) 259-7843; or by fax at (203) 256-3367; or by use of the Company's corporate communications "hotline" at 1-800-826-6762. The "hotline" is monitored 24 hours a day, 7 days a week. Stockholders may also communicate in writing any questions or other communications to the non-management Directors of the Board of Directors, in the same manner.

Stockholders may contact the Corporate Secretary at (203) 259-7843 or Computershare Investor Services, LLC, which is the Company's stock transfer agent, at (312) 360-5190 for questions regarding routine stockholder matters.

### **Code of Business Conduct and Ethics**

The Board of Directors has adopted a "Code of Business Conduct and Ethics" as part of the Company's Corporate Compliance Program, which governs the obligation of all employees, executive officers and Directors of the Company to conform their business conduct to be in compliance with all applicable laws and regulations, among other things. The Code of Business Conduct and Ethics is posted on the Company's website at [www.ruger.com](http://www.ruger.com), and is available in print to any stockholder who requests it by contacting the Corporate Secretary as set forth in "Stockholder Communications" below.

### **Non-Management Directors**

The non-management Directors of the Board of Directors meet regularly in executive sessions and each such meeting is led by a presiding Director. Townsend Hornor served as the presiding Director from May 3, 2005 until his death on September 11, 2005, and was succeeded by Richard T. Cunniff as the presiding Director on that date. A new presiding Director is chosen annually for a one-year term at the first executive session held in concurrence with the organizational meeting of the Board of Directors held after each Annual Meeting of Stockholders. The Director who is the most senior Director, based on the number of years of service as a Director of the Company, and who has not previously served as presiding Director of the executive sessions (or has not so served for the greatest period of time prior to such decision), is chosen to be the presiding Director. The presiding Director presides at all executive session meetings, and is also looked upon to act as an intermediary between the non-management Directors and management of the Company when special circumstances exist or communication out of the ordinary course is necessary.

## **COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION \***

### *Overall Policy*

The Company's executive compensation program is designed to reflect both corporate performance and individual responsibilities and performance. The Compensation Committee administers the Company's overall compensation strategy in an attempt to relate executive compensation appropriately to the Company's overall growth and success and to the executive's duties and demonstrated abilities. The objectives of this strategy are to attract and retain the best possible executives, to motivate these executives to achieve the Company's business goals and to provide a compensation package that recognizes individual contributions as well as overall business results. The Compensation Committee and the Board of Directors as a whole have ultimate responsibility for executive compensation.

These reviews permit an ongoing evaluation of the relationship between the size and scope of the Company's operations, its performance and its executive compensation. The Compensation Committee also considers the legal and tax effect (including, without limitation, the effects of Section 162(m) of the Internal Revenue Code of 1986, as amended) of the Company's executive compensation program in order to provide the most favorable legal and tax consequences for the Company and its executive officers.

The Compensation Committee determines the compensation of the Company's executive officers, including the individuals whose compensation is detailed in this proxy statement. The key elements of the Company's executive compensation consist of base salary, annual bonus and stock options, as discussed below.

### *Base Salaries*

Base salaries for executive officers are determined by considering historical salaries paid by the Company to officers having certain duties and responsibilities and then evaluating the current responsibilities of the position, the scope of the operations under management and the experience of the individual. Salary adjustments are determined by evaluating on an individual basis new responsibilities of the executive's position, changes in the scope of the operations managed, the performance of such operations, the performance of the executive in the position and annual increases in the cost of living.

### *Annual Bonus*

The Company's executive officers are eligible for an annual cash bonus. Annual bonuses are determined on the basis of corporate performance. The most significant corporate performance measure for bonus payments is earnings of the Company. In determining annual bonuses, the Compensation Committee considers the views of the Chief Executive Officer and discusses with him the appropriate bonuses for all officers.

### *Stock Options*

Under the Company's 1998 Stock Incentive Plan, stock options may be granted to the Company's executive officers. The Compensation Committee sets guidelines for the size of stock option awards

\* The report of the Compensation Committee shall not be deemed incorporated by reference by any general statement incorporating by reference this Proxy Statement into any filing under either the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended (together, the "Acts"), except to the extent that the Company specifically incorporates such report by reference; and further, such report shall not otherwise be deemed to be "soliciting material" or "filed" under the Acts.

based on factors similar to those used to determine base salaries and annual bonuses. Stock options are designed to align the interests of executives with those of the stockholders.

Under the 1998 Stock Incentive Plan, stock options are typically granted with an exercise price equal to the market price of the Company's common stock on the date of grant and vest over time. This approach is designed to encourage the creation of stockholder value over the long term since the full benefit of the compensation package cannot be realized unless stock price appreciation occurs over time.

#### *Chief Executive Officers' Compensation*

Following William B. Ruger, Jr.'s appointment as Chief Executive Officer on October 24, 2000, the Compensation Committee reviewed Mr. Ruger, Jr.'s compensation as well as the compensation of the Company's other executive officers who had been assigned positions of increased responsibility. Based on the Committee's recommendations as a result of this review, the Board of Directors approved an increase to William B. Ruger, Jr.'s base salary from \$225,000 per year to \$400,000. Mr. Ruger, Jr.'s base salary did not increase since October 24, 2000. Prior thereto, Mr. Ruger, Jr.'s base salary had not increased since January 1, 1998. Current Chief Executive Officer Stephen L. Sanetti's base salary was last increased on October 24, 2000 from \$175,000 to \$275,000, when he was appointed Senior Executive Vice President. Prior thereto, Mr. Sanetti's base salary had not increased since January 1, 1995.

#### *Conclusion*

Through the programs described above, a significant portion of the Company's executive compensation is linked directly to individual and corporate performance. The Compensation Committee intends to continue the policy of linking executive compensation to corporate and individual performance, recognizing that the ups and downs of the business cycle from time to time may result in an imbalance for a particular period.

- (1) All options granted under the Company’s 1998 Stock Incentive Plan vest in five equal annual installments.
- (2) The exercise price for options granted under the Company’s 1998 Stock Incentive Plan is the closing price of the Common Stock as of the date of grant.
- (3) Amounts represent hypothetical gains that could be achieved for the respective options if exercised at the end of the option term. These gains are based on assumed annual rates of share price appreciation mandated by the Securities and Exchange Commission of 5% and 10% of the fair value of the Common Stock on the date of grant of the options, compounded annually from the date of the grant to the option expiration date. The gains shown are net of the option exercise price, but do not include deductions for taxes or other expenses associated with the exercise. Actual gains, if any, are dependent upon the performance of the Common Stock and the date on which the option is exercised. There can be no assurance that the values reflected will be achieved.
- (4) William B. Ruger, Jr. voluntarily resigned as Chairman of the Board on February 13, 2006, and retired as Chief Executive Officer effective February 28, 2006. Mr. Ruger may exercise his vested options within 90 days following his retirement as Chief Executive Officer.

The Sturm, Ruger & Company, Inc. Supplemental Executive Retirement Plan (the "SERP") is a nonqualified supplemental retirement plan for certain senior executives of the Company. Two of the executive officers who appear in the Summary Compensation Table, William B. Ruger, Jr. and Stephen L. Sanetti participate in the SERP. The SERP provides an annual benefit beginning at age 65 in an amount equal to 2% of the participant's average annual compensation for each complete year of service with the Company up to a maximum of 50% of such average compensation, for those participants who retire from the Company at or after age 60 with 10 or more years of service. The annual benefits described in the table above are already reduced by the amount the participant is entitled to receive under the Pension Plan, and are further reduced by the amount of Social Security benefit the participant is entitled to receive commencing at age 65. The SERP benefit is payable as an annuity over the life of the participant, with 50% to continue for the life of the participant's surviving spouse after the participant's death. Preretirement death or disability benefits are also provided to plan participants under the SERP.

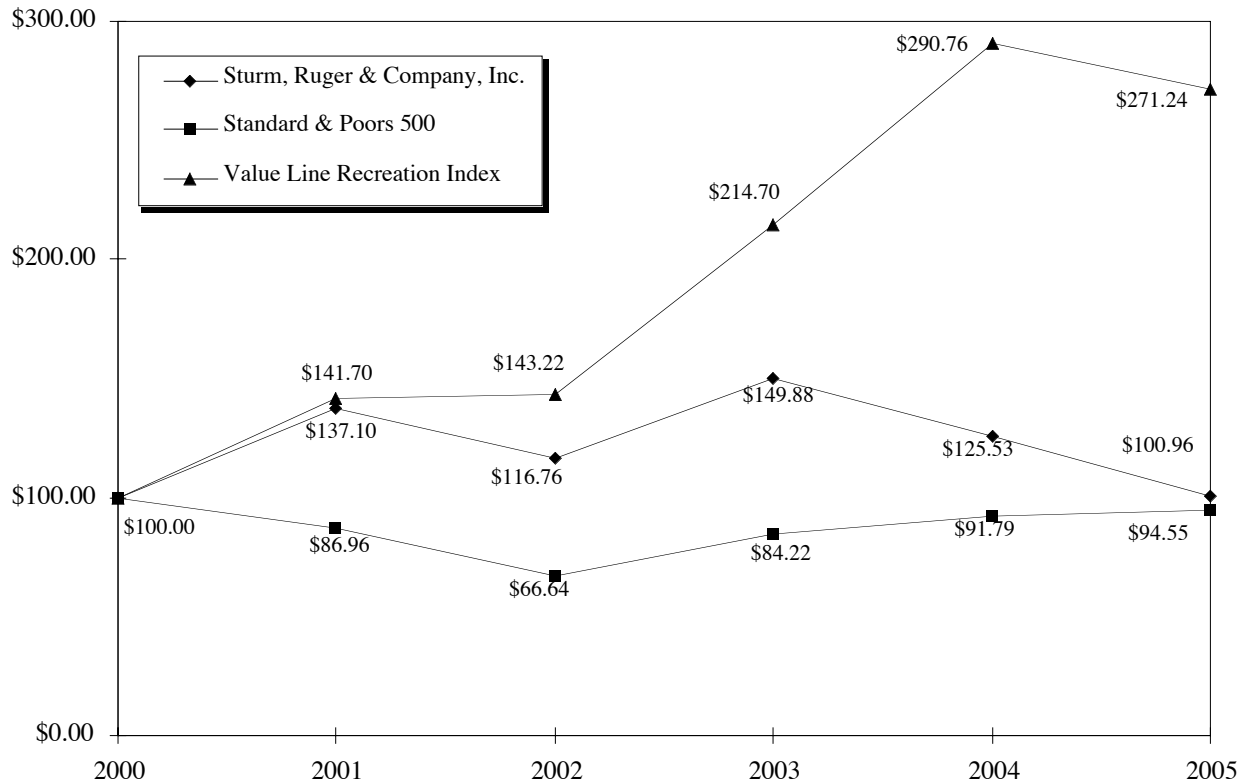

The average annual compensation shown in the above table includes the participant's base pay, bonuses and other compensation for the participant's highest consecutive 36 months of service (or, if the participant's service was less than 36 months, then for the entire period of service) as reported in the Summary Compensation Table, except that benefits received under the Pension Plan, Salaried Employees' Profit Sharing Plan and taxable premiums paid by the Company for group term life insurance are excluded from the SERP compensation formula. The annual compensation upon which the SERP benefit is calculated is limited to \$400,000. As of December 31, 2005, William B. Ruger, Jr. had more than 25 years of credited service and Stephen L. Sanetti had 25 years of credited service. The estimated amounts presented above assume that the participant attained age 65 in 2005.

John M. Kingsley, Jr., a Director who retired as Executive Vice President of the Company on December 31, 1996, received \$145,668 in benefits from the SERP during 2005.

The SERP provides that in the event of a change in control of the Company participants in pay status shall be entitled to receive a lump-sum payment equal to the present value of the participant's benefit. Those not in pay status shall become fully vested and generally, if terminated within three years of a change in control, become entitled to a lump-sum payment. The payment shall be computed based upon the participant's average compensation and years of service with the Company on the date of change in control (provided, however, that in the event of a change in control, the participant's years of service with the Company for purposes of computing the benefit amount shall not be less than ten). A change in control is defined to mean the effective date of one of the following events: (i) sale or exchange of substantially all of the capital stock of the Company; (ii) sale of substantially all of the assets of the Company; (iii) sale of substantially all of the capital stock of the Company owned of record and beneficially held by members of the William B. Ruger family; or (iv) the merger or consolidation of the Company with or into one or more other corporations; and, in each of such four cases, the sale of stock or assets is to, or the exchange of stock is with, or the merger or consolidation is with or into one or more persons, firms or corporations which does not own at least 10% of the capital stock of the Company.

## REPORT OF THE AUDIT COMMITTEE\*

Management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. In fulfilling its oversight responsibilities, the Committee reviewed and discussed the audited financial statements in the Annual Report with management, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements.

The Committee reviewed with the independent auditors, who are responsible for expressing an opinion of the conformity of those audited financial statements with accounting principles generally accepted in the United States, their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Committee by Statement on Auditing Standards No. 61 (Codification of Statements on Auditing Standards, AU § 380). In addition, the Committee has discussed with the independent auditors the auditors' independence from management and the Company, and has received the written disclosures and the letter from the independent auditors as required by Independence Standard Board Standard No. 1 (Independence Discussions with Audit Committees).

The Committee discussed with the independent auditors the overall scope and plans for their audit. The Committee met with the independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting. The Committee held nine meetings during fiscal 2005.

In reliance on the reviews and discussions referred to above, the Committee recommended to the Board of Directors that the audited financial statements be included in the Annual Report on Form 10-K for the year ended December 31, 2005 for filing with the Securities and Exchange Commission.
