

How to Use: Insert your Flash Memory Card into the memory card slot on your computer, cell phone, digital camera or PDA. You can then use the device as you normally would, creating, copying, editing and moving files. Your Memory Card can also be erased and reused. **Precautions:** Avoid using the Flash Memory Card when the battery is low. When writing to the card, wait for the operation to complete before removing the card. The card is designed to fit easily into the system one way only. Do not bend the card or force it into the slot. **Product Registration:** You can register your memory card online at SanDisk's web site at <http://www.sandisk.com/registration>. **Technical Support:** Visit SanDisk's web site, www.sandisk.com, or call 1-866-SANDISK (1-866-726-3475) between 8AM and 5PM PST, 7 days a week. **SanDisk's 5 Year Warranty:** SanDisk Corporation ("SanDisk") will repair or replace this Flash Memory Card free of charge if it ever fails within 5 years from the date of purchase, subject to the conditions set forth below. This Flash Memory Card will be free from material defects in design and manufacture and will substantially conform to its published specifications. The warranty applies only to the extent this Flash Memory Card is used in devices that are compliant with the specifications of the appropriate standards organization. This warranty applies only to the original purchaser of the SanDisk Flash Memory Card who has proof of purchase, if requested. This warranty is void if the Flash Memory Card is not used in accordance with the product instructions or if SanDisk determines that any failure has been caused by misuse, neglect, improper installation, repair, alteration or accident. SanDisk bears no responsibility for failure or defect caused by any third party product or components whether authorized or not. SanDisk's products are not warranted to operate without failure. SanDisk does not recommend the use of its products in life support applications where in a failure or malfunction, the product may directly threaten life or injury. Accordingly, in any use of SanDisk products in life support systems or other applications where failure could threaten life or injury, the products should only be incorporated in systems designed with appropriate redundancy, fault tolerant or back-up features. This product is intended for consumer end-use only; it is not intended for nor warranted for commercial applications. If a product fails under the terms of this warranty, SanDisk will inspect the product and at its option, repair or replace the product. SanDisk will ship out a product with equal to or greater capacity. SanDisk's sole liability, and the exclusive remedy, for any acknowledged defect(s) shall be the repair or replacement of the product in question. SanDisk may, at its sole option, replace the product with a refurbished product. ALL STATUTORY OR IMPLIED WARRANTIES ARE HEREBY DISCLAIMED TO THE FULLEST EXTENT. SANDISK SHALL NOT BE LIABLE UNDER ANY CIRCUMSTANCES FOR ANY INDIRECT, INCIDENTAL OR CONSEQUENTIAL DAMAGES OR LOST DATA.
