<p>If you get stuck or if you need more information, please go to support.seagate.com.</p> <p>That's it.</p>	<p>We're here to help.</p> <p>Technical support Seagate offers the following technical support services. These services are free, however long distance telephone rates may apply.</p> <p>Web support For answers to many common technical support and warranty questions, see the Seagate web site at www.seagate.com.</p> <p>E-mail support Send messages to discsupport@seagate.com.</p>	<p>Seagate Five-year Limited Warranty.</p> <p>Look on the FreeAgent desktop drive or visit www.seagate.com for warranty information in other languages.</p> <p>What Does This Warranty Cover? This warranty covers any defects in material or workmanship in the new Seagate product accompanied by this warranty statement. Only consumers purchasing this Seagate product from an authorized Seagate retailer may obtain coverage under this warranty.</p> <p>How Long Does The Coverage Last? The warranty period is 5 years from the documented date of your purchase.</p>	<p>What Do You Have To Do? Seagate will not provide any warranty coverage unless your claim is in compliance with all terms of this warranty statement and you follow proper return procedure. To request warranty service, contact an authorized Seagate service center or refer to www.seagate.com for more information regarding customer support within your jurisdiction. You also may obtain information regarding the location of authorized Seagate service centers and access Seagate automated customer service directory by calling +1 800 SEAGATE. Callers outside the US can reach this service by dialing +1 405 324 4770. Once an authorized service center or Seagate determines that a repair is required, you will be prompted for your name, address, phone number, e-mail and product serial number and then issued a Return Material Authorization (RMA) to use when returning product to Seagate.</p> <p>Product you return to Seagate must be properly packaged in its original packaging (or packaging providing the product with protection equivalent to the original packaging) and shipped, with the shipping charges prepaid, to the address provided when you received your RMA. In addition to regular back-ups, if possible, back-up your data before sending the drive for repair because the product you send to Seagate or an authorized service provider will not be returned to you.</p>	<p>What Will Seagate Do? If Seagate authorizes you to return your product to Seagate or an authorized service provider, Seagate will replace your drive without charge with a functionally equivalent replacement product. Seagate may replace your product with a product that was previously used, repaired and tested to meet Seagate specifications. By sending product for replacement, you agree to transfer ownership of the original product to Seagate. Seagate will not return your original drive to you. Data recovery is not covered under this warranty and is not part of the repair or exchange process. If you would like data recovery performed on your drive, it is available from Seagate as a separate service for an additional charge. Seagate warrants that repaired or replaced products are covered for the greater of either the remainder of the original product warranty or 90 days. Seagate will pay to ship the replacement drive to you.</p> <p>How Does State Law Apply? The laws of the State of California, USA, govern this warranty. It gives you specific legal rights, and you may also have other rights that vary from state to state. This warranty does not affect any additional rights you have under laws in your jurisdiction governing the sale of consumer goods, including, without limitation, national laws implementing EC Directive 44/99/EC. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the limitations or exclusions in this warranty statement may not apply to you.</p> <p>Which Seagate Technology Companies Are Extending This Warranty? The Seagate company offering this warranty depends on where you purchased the product. US & Americas: Seagate Technology LLC 920 Disc Drive, Scotts Valley, CA 95066 U.S.A.</p> <p>Please do not return products to the addresses listed above, but follow the rules described in the paragraph <i>What Do You Have To Do?</i></p>	<p>FCC</p> <p>FCC Notices This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.</p> <p>Class B This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more, of the following measures:</p> <ul style="list-style-type: none">• Reorient or relocate the receiving antenna.• Increase the separation between the equipment and receiver.• Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.• Consult the dealer or an experienced radio/TV technician for help. <p>Caution: Any changes or modifications made to this equipment may void the user's authority to operate this equipment.</p> <p><small>Copyright © 2007 Seagate Technology LLC.
