

**Model: MDX-40****No. 407****Subject: MDX-40 KEEPS WORKING AFTER KEY IS  
TURNED OFF. THIS CONDITION HAPPENS  
ONLY WHEN MDX-40 IS CONNECTED TO XR-  
C900.****Date:** October 10, 1996**Symptom:****(311)**

MDX-40 will keep working after the key of the vehicle is turned off. This only happens when the MDX-40 is connected to a XR-C900. After a while the car battery will eventually drain.

**Solution:** Remove IC310 and replace it with a new improved one listed in the table below.
