Sony Service Company Technical Services
A Division of Sony Corporation of America
Sony Drive, Park Ridge, New Jersey 07656

Model:

No. 108

Subject: SEN/FH Jig

Date: February 2, 1990

Symptom:
(**)

There is a service tool/jig available to supply power and audio in/out connections for units that are part of a rack system. These units (Tuner, Tape Deck, etc.) are usually powered by the Integrated Amp in a system through ribbon cables. This jig is available through Kansas City Parts Center.

Solution: The part number is listed below.

Description	Part Number
