Sony Service Company - Technical Services
A Division of Sony Corporation of America
Sony Drive, Park Ridge, New Jersey 07656

Model: MHC-1600/2200CD/2600/3300CD/
3500/3600/5500

No. 293

Subject: SEN JIG PFJ-1

Date: September 23, 1992

Symptom:
(**)

The SEN JIG is available to aid in the repair of the separate components from rack systems and mini component systems. The SEN JIG provides power to the individual components being repaired through a series of standard connectors and makes it possible to repair individual components without the remaining components of the system.

Solution:

The SEN JIG is available through the National Parts center and can be ordered by using the following part number: T-9985-490-1

CSA-13 Miscellaneous
