

The Most Interesting SwissSound Articles in Chronological Order
as of September 2008

Issue	Page	Device <i>(Articles in italics refer to Revox equipment)</i>	Subject
1	2	A810 tape recorder	Design philosophy
1	3	A810 tape recorder	Spooling motor control
1	6	<i>Revox tape recorders, part 1</i>	<i>PR99 Repro only</i>
2	2	A800 MkIII tape recorder	Features
2	4	A710 cassette recorder	Features
2	7	900 mixing console	General info
2	7	CAMOS cartridge system	General info
2	8	B67 tape recorder	The 1000th unit
2	9	Digital Audio	General info
2	9	<i>Revox CD Player</i>	<i>Prototype</i>
2	10	Who's who	Eugen E. Spörri
3	1	A726 FM tuner	FM tuner operation
3	1	<i>B261 FM tuner</i>	FM tuner operation
3	2	<i>B251 integrated amp</i>	<i>Integrated amplifier</i>
3	5	900 mixing console	Technology concept
3	6	A810 tape recorder	Spooling motor control
3	11	Who's who	Bruno Hochstrasser
4	1	900 mixing console	Grounding system
4	4	<i>IR remote control</i>	<i>Concept</i>
4	5	CAMOS cartridge system	Broadcast archive/automation system
4	9	DAD-16 digital audio delay	Digital preview unit
4	9	Who's who	Guido Besimo
5	2	A810 tape recorder	Phase compensation design
5	4	SFC-16 sampling frequency converter	General info (reprint)
5	7	<i>B251 integrated amp</i>	<i>Power amp bias control</i>
5	8	Who's who	Michel Ray
5	9	A80 RC tape recorder	1/2" mastering
5	9	A80 VU tape recorder	1/2" mastering
5	12	<i>B251 integrated amp</i>	<i>CES design award</i>
6	3	Bus systems, part 1	General info
6	5	Digital standards	General info
6	8	169 mixing console	TV sound
6	8	269 mixing console	TV sound
6	12	Who's who	Hermann Stierli
7	1	<i>B225 CD player</i>	<i>General info</i>
7	3	<i>Revox tape recorders, part 2</i>	<i>PR99 MkII, new features</i>
7	4	A726 FM tuner	Electronic tuning
7	4	<i>B261 FM tuner</i>	Electronic tuning
7	8	Who's who	Rolf Günter Neumaier
8	1	A810 tape recorder	Locator
8	3	A80 MR MkII tape recorder	General info
8	4	TLS 4000 synchronizer	General info
8	11	Who's who	Franz Trottmann

Issue	Page	Device <i>(Articles in italics refer to Revox equipment)</i>	Subject
8	12	<i>B225 CD player</i>	CES design award
9	1	A726 FM tuner with MPX out	General info
9	2	Bus systems, part 2	General info
9	4	<i>Agora B active speaker, part 1</i>	<i>General info</i>
9	8	<i>Revox tape recorders, part 3</i>	<i>For whom?</i>
9	11	Who's who	Hans Kilchenmann
10	1	A820 tape recorder	General info
10	6	A725 CD player	General info
10	7	<i>Agora B active speaker, part 2</i>	<i>General info</i>
10	11	<i>Revox tape recorders, part 4</i>	<i>Industrial applications</i>
10	11	Who's who	Oldrich Mikoska
11	1	961 mixing console	General info
11	1	962 mixing console	General info
11	3	961 mixing console	Mic input transformers
11	3	962 mixing console	Mic input transformers
11	6	<i>B285 receiver</i>	<i>General info</i>
11	8	<i>B215 cassette recorder</i>	<i>General info</i>
11	10	Who's who	Margrit Meyer
12	1	A725 QC	Quality control option
12	2	<i>B203 timer controller</i>	<i>IR remote</i>
12	5	A820 tape recorder	DC capstan drive
12	5	D820 digital tape recorder	DC capstan drive
12	5	DASH tape recorder	Digital 2-CH format
12	10	Who's who	Peter Joss
13	1	A820 tape recorder	DC reel motor drive
13	3	Time Code	TC reading
13	9	900 mixing console	MPX units
14	4	MSC system	Modular audio system components
14	7	<i>FM tuners</i>	<i>FM demodulation</i>
15	5	SC 4008 / SC 4016 system controller	Multi-machine control systems
15	11	Philips/Studer Joint Venture	Company info
15	11	Who's who	David F. C. Ling
16	1	<i>B242 power amp</i>	<i>General info</i>
16	5	<i>Piccolo satellite system</i>	<i>General info</i>
16	8	Stereo/2-track recording	Tape head info
16	11	Who's who	Roberto Beppato
17	1	A812 tape recorder	Spooling motor control
17	4	<i>C279 mixing console</i>	<i>General info</i>
17	7	961 mixing console	Console coupling
17	7	962 mixing console	Console coupling
17	8	TLS 4000 MkII synchronizer	General info
17	10	Who's who	Walter U. Derrer
18	1	A820 MCH tape recorder	General info
18	5	Mic input transformers	Demagnetizing
18	6	<i>E88 cassette recorder</i>	<i>General Info</i>
18	10	<i>B285 receiver</i>	Hi-Fi-Vision award
18	11	Who's who	Takeo Asano

Issue	Page	Device <i>(Articles in italics refer to Revox equipment)</i>	Subject
19	1	D820 X DASH tape recorder	General info
19	4	<i>B215 cassette recorder</i>	<i>Auto calibration</i>
19	8	963 mixing console, part 1	General info
19	10	<i>B251 integrated amp</i>	<i>Damping coefficient considerations</i>
19	11	Who's who	Val P. Ortega
20	3	A807 tape recorder	General info
20	7	<i>Linatrack tone arm...</i>	<i>in Edison cylinder player :-)</i>
20	8	963 mixing console, part 2	General info
20	10	C279 mixing console/expansion unit	General info
21		Studer 40th anniversary	
22	6	A730 CD player	General info
22	8	Mixing consoles	Fader design
22	9	Who's who	Clary MacDonald
23	1	A820 MCH tape recorder / Dolby SR	General Info
23	3	A727 CD player	General info / Stereo Sound award
23	5	Sound heads	Amorphous core materials
23	8	Who's who	Werner Hinn
24	1	<i>B150 amplifier</i>	<i>General info</i>
24	1	<i>B250 amplifier</i>	<i>General info</i>
24	5	<i>B160 FM tuner</i>	<i>General info</i>
24	5	<i>B260 FM tuner</i>	<i>General info</i>
24	7	A820 MCH tape recorder / Telcom c4	General info
24	10	Who's who	David Walstra
25	1	D820 X DASH tape recorder	Automatic functions
25	2	DE4003 digital editor	General info
25	7	<i>C270/C274/C278 tape recorders</i>	<i>General info</i>
25	11	Who's who	Michael Roger Bauch
26	3	A723 active speaker	General info
26	8	D820 X DASH tape recorder	Data detection
26	11	Who's who	Tore B. Nordahl
27	1	TCIA time code reader chip	General info
27	6	Bar graph level meter	General info
27	8	D820 MCH DASH tape recorder	General info
27	9	A730 CD player	Stereo Sound award
27	9	<i>PR99 MkIII</i>	<i>General info</i>
28	1	Studer Editech (Dyaxis HD recording)	General info
28	2	TCGA time code generator chip	General info
28	5	D820-48 DASH tape recorder	General info
28	7	A764 FM tuner	General info
28	10	Who's who	Marino Ludwig
29	1	Studer Revox sold to Motor Columbus	Company info
29	2	<i>B215 cassette recorder</i>	<i>for test cassette production</i>
29	3	Multi-channel tape recorders	Tape guide
29	6	A779 mixing console	General info
29	9	LHH 3055 CD sub-code editor	PQ editing
30	1	D820 MCH DASH tape recorder	Analog signal processing
30	3	<i>Revox multi-room system</i>	<i>IR remote control</i>

Issue	Page	Device <i>(Articles in italics refer to Revox equipment)</i>	Subject
30	6	A820 MR tape recorder	General info
30	7	SAAP	Automatic tape recorder calibration
30	10	Studer Editech Corporation	Company info
30	10	Who's who	Lee Cochran
31	3	D820 MCH DASH tape recorder	General info
31	6	D820 MCH DASH tape recorder	System control
31	9	D820 MCH DASH tape recorder	DSP
31	16	A827 MCH tape recorder	General info
31	19	Dyaxis 2+2 audio workstation	General info
32	2	D820 MCH DASH tape recorder	Anti-aliasing filter
32	5	D820 MCH DASH tape recorder	Equalizer
32	7	D820 MCH DASH tape recorder	Synchronizer
32	9	D820 MCH DASH tape recorder	Sound Memory
32	14	A816 tape recorder	General info
32	18	Air, the non-linear medium	Acoustics
33	2	D827 MCH DASH tape recorder	General info
33	5	D827 MCH DASH tape recorder	Noise shaping
33	7	990 mixing console	Graphical user IF
33	8	SFC (sampling freq. converter) chip	General info
33	10	MADI router	General info
33	11	Studer CD player range	General info
33	15	Reportis 469 ISDN reporter console	General info
33	16	SFC (sampling freq. converter) chip	License agreement
34	1	Studer sold to Harman International	Company info
34	2	D731 QC CD player	CD quality inspection
34	6	Digital audio	DSP
34	8	D827 MCH DASH tape recorder	24-bit resolution
34	14	EMC in pro audio systems	EMC
35	2	D19 MicAD 8-ch mic/line preamp with D/A	General info
35	3	D19 MicAD 8-ch mic/line preamp with D/A	Noise shaping
35	6	Microphone input	General information
35	7	980 mixing console	General information
35	10	980 mixing console	Multi-channel sound
35	15	D424 MO recorder	General info
35	18	916 mixing console	General info
35	20	NISKO Swiss Radio DRS	Digital info/broadcasting
35	22	990 mixing console	Automation SW V4.1/V2.4
35	23	A807 tape recorder	General info
36	3	MADI router	DSP
36	9	D19 MicVALVE mic pre-amp	General info
36	11	D741 CD recorder	General info
37	3	OnAir 2000 digital mixing console	General info
37	6	928 mixing console	General info
37	10	D19 MultiDAC D/A converter	General info
37	12	D424 MO recorder	General info
37	18	In memoriam	Willi Studer
38	9	D19m I/O system	General info

Issue	Page	Device <i>(Articles in italics refer to Revox equipment)</i>	Subject
38	12	Sound quality measurement	General info
39	3	D940 MkII digital mixing console	General info
39	5	D19 Echo Cancellor	General info
39	6	D827 MCH MkII DASH tape recorder	General info
40	3	D950 digital mixing console	General info
40	9	DigiMedia '95 CAB system	General info
40	12	V-Eight 8-track recorder	General info
40	14	D733 CD text display	General info
41	3	Numisys II	General info
41	5	D.A.V.I.D. editors	General info
41	7	D950S digital mixing console	General info
41	10	980 mixing console	Surround formats
41	10	928 mixing console	Surround formats
42		Studer 50th anniversary	
42	10	Innovation management	Technology
42	12	VSP virtual surround panning	Surround formats
42	18	V-Eight 8-track recorder	General info
42	21	Digitec Smart'Log	General info
42	22	D19m I/O system	24 bit A/D converter
42	23	D19 MasterSync	General info
42	23	D19 MultiFeed	General info
43	3	D950 digital mixing console	Central assign section
43	6	VSP Virtual surround panning	New features
43	9	Route 5000 digital router	General info
43	10	DigiMedia CAB system	General info
43	14	BRS processor	General info
43	15	OnAir 5000 digital mixing console	General info
44	4	D950 M2 digital mixing console	General info
44	6	Surround	General info
44	11	980 mixing console	Surround info
44	11	928 mixing console	Surround info
45	4	OnAir 1000 digital mixing console	General info
45	6	DigiMedia CAB system	Program regionalization
45	10	VSP Virtual surround panning	New version 2.5
46	4	D950 digital mixing console	New AutoTouch+ automation
46	7	VSP Virtual surround panning	In practice
46	12	OnAir 2000M2 digital mixing console	New features
46	14	DigiMedia CAB system	New version 4.0
47	3	Vista digital mixing consoles	Vistonics operating concept
47	11	OnAir 3000 digital mixing console	General info
47	14	SCore DSP core	Digital signal processing DSP
47	16	DigiMedia CAB system	New version 5
47	17	CMS call management system	General info
47	19	D21m I/O system	General info
48	4	Vista digital mixing consoles	New Vistonics features / SW V3.5
48	8	OnAir 3000 digital mixing console	New version V2.0
48	9	OnAir 3000 digital mixing console	OnAir 3000Net version

Issue	Page	Device <i>(Articles in italics refer to Revox equipment)</i>	Subject
48	13	Audio networking	General info
48	15	CMS call management system	Connection management
49	3	Vista 5 digital mixing console	New version
49	6	SCore live DSP core	General info
49	9	Router technology	General info
49	13	D21m I/O system	New hardware
49	14	OnAir 3000 digital mixing console	New version V2.1
50	8	OnAir 3000 digital mixing console	New version V2.2 with surround support
50	10	Vista 5 SR digital mixing console	Sound reinforcement version
50	12	D21m I/O system	New hardware
50	13	Danish Broadcasting Corporation	Large project
50	20	Vista digital mixing consoles	New surround approach
50	23	CMS call management system	General info
51	4	Happy Birthday Studer!	General info
51	6	Product history	General info
51	12	Vista "Vintage Dynamics"	Vista Series
51	14	Route 6000	New Version V2.0
51	16	OnAir 3000	New Version V3.0
51	19	OLED Technology	General info
