

P7260 Probe Square-Pin Adapter Read This First

An *early-release* Square-Pin Adapter (Part Number 016-1910-00) is included with this P7260 probe. The *early-release* Square-Pin Adapter fits tightly on square pins. After repeated connections to the same square pin, you may notice some wear to the square pin.

The *early-release* Square-Pin Adapter is included only as an interim solution and is intended for infrequent use. Tektronix expects to have final production Square-Pin Adapters by summer, 2002. So that you can receive new Square-Pin Adapters, please use one of the following methods to provide Tektronix with your ship-to address:
