Subject: Tektronix Enterprise Certification Confirmation

Dear Ms. Fryer,

I would like to confirm that KEMA Registered Quality has begun a cycle of Certification Renewal Audits that will result in a new ISO 9001:2000 Certificate consolidating a number of Registrations for individual sites. Audits have been completed in Shanghai and Yang Zhong, PRC, Padova, Italy, Berlin, Germany. Additional audits have been scheduled for Mexico City, Mexico, Cambridge, UK, Beaverton, OR, as well as US Service Centers.

The certification renewal process will be complete, and the new certificate will be issued in March 2003. All of the above-mentioned sites are included in the enterprise certification, and will be listed on the certificate.

If you have any questions or if you have need of our services in confirming the status of the Tektronix ISO 9001 Certifications, please do not hesitate to contact me or my staff.

Sincerely,

Steve Dunning
