

### **Terms and Conditions**

- 1) Tektronix trade-in promotion program applies to the sale of new eligible Tektronix instruments only.
- 2) The 12% trade-in discount is applied based on one qualifying trade-in unit to one new eligible unit purchased; this includes the new Tektronix oscilloscope or logic analyzer accessories purchased on the purchase order for the new eligible product for which there is a qualifying trade-in.
- 3) The eligible Tektronix products and qualifying trade-in units under the program are described at [www.tektronix.com/promotions](http://www.tektronix.com/promotions)
- 4) Equipment must be purchased through a Tektronix Authorized Distributor. For a list of authorized distributors please visit [www.tektronix.com/contactus](http://www.tektronix.com/contactus)
- 5) The new products must be purchased for end use and not for rental or sale.
- 6) This promotion is intended for qualifying orders placed on or after **June 1, 2003** and prior to **November 28, 2003**, but Tektronix reserves the right to change or cancel this program at any time by posting the change or cancellation on its website.
- 7) The trade-in promotion may not be combined with any other Tektronix offer, promotion or discount program.
- 8) The 12% trade-in discount is applied to the Tektronix local list price (MSRP in the U.S.). Any applicable sales or other like taxes will be the responsibility of the customer.
- 9) To qualify for the 12% discount, the trade-in must be in "working" condition.
- 10) Customer must provide information about the qualifying trade-in unit (manufacturer, model and serial number) at time of order and deliver the trade-in to distributor at the time requested by the distributor.
- 11) This promotion is void where prohibited or restricted by law.
