Horizontal Panels-Protected					
TEI P/N: 150-0183-2					
1.75"H X 23"W X 5.49"D (Horizontal Mounting with front cable management tray) Panel with copper bus bar for grounding applications, holds up to five DDPM-2GT Modules with Gas Tube Protection internal surge protection (Modules Ordered Separately)	700255183	11002937	See Contract	3 Years	3-4
					
TEI P/N: 150-0182-2					
3.5"H X 23" W X 5.34"D(Horizontal Mounting with front cable management rings) Panel with copper bus bar for grounding applications, holds up to 12 DDPM-2GT Modules with Gas Tube Protection internal surge protection (Modules Ordered Separately)	700255184	11002936	See Contract	3 Years	3-4
					
Vertical Panels-Protected					
TEI P/N: 155-1081-2					
5.2"H " X 23" W X 5.23"D(Vertical Panel with front cable management rings) Panel with copper bus bar for grounding applications, holds up to 24 DDPM-2GT Modules with Gas Tube Protection internal surge protection (Modules Ordered Separately)	700255434	11004582	See Contract	3 Years	3-4
					
Modules -					
TEI P/N: DDPM-2GT					
3.78H X .65"W X 1.32D DS3 Module with Gas Tube Protection/ BNC Front/BNC Back "Pass Thru with Dual Monitors/ Used when surge protection on DS3 circuits needed	700255185	11002939	See Contract	3 Years	2
					
TEI P/N: DDPM-2					
3.78H X .65"W X 1.32D DS3 Module w/o protection BNC Front/BNC Back "Pass-Thru with Dual Monitors/ Used when surge protection is not a concern	700255186	11002938	See Contract	3 Years	1
					
TEI P/N: DDM-2					
3.78H X .65W X 1.32D Module w/o protection DS3 Module w/o protection BNC Pass-Thru in Back only/ Monitor ports in Front Used when cables can only be in back of panel no surge protection	700255435	11004583	See Contract	3 Years	2
					
TEI P/N: DDPM-2UM					
5.125H X 1.200W X 1.32D 6 pack module un-protected DS3 Module w/o protection mounted into a universal mount that allows the DDPM-2 module to be mounted into a Fiber Distribution Box	700255187	11002940	See Contract	3 Years	1
					
Horizontal Panels-Unprotected					
TEI P/N: 150-0177-3					
1.75" H X 19.0"W X 4.14"D Panel, 1RU-19" Width. Horizontal mount up to 4 DDPM-2 or 4 DDM-2 Modules DS3 panel with front cable management tray used when copper bus bar and surge protection is not needed (Modules Ordered Separately)	700255436	11004578	See Contract	3 Years	2-3
					
TEI P/N: 150-0176-3					
1.75" H X 23.0"W X 4.14"D Panel, 1RU-23" Width. Horizontal mount up to 5 DDPM-2 or 5 DDM-2 Modules DS3 panel with front cable management tray used when copper bus bar and surge protection is not needed (Modules Ordered Separately)	700255437	11004577	See Contract	3 Years	2-3
					

TEI P/N: 150-0180-3		700255438	11004579	See Contract	3 Years	2-3
3.5" H X 23"W X 5.34"D						
Panel, 2RU-23" Width. Horizontal mount up to 12 DDPM-2 or 12 DDM-2 unprotected modules						
DS3 Panel with dual cable management rings / used when copper bus bar and surge protection is not needed						
(Modules Ordered Separately)						

Vertical Panels-Unprotected						
TEI P/N: 155-1012-1		700255439	11004580	See Contract	3 Years	2-3
5.2"H X 19"Wv X 5.23"D						
Panel, 3RU-19" Width. Vertical mount up to 24 DDPM-2 or 24 DDM-2 unprotected modules						
DS3 Panel with dual cable management rings/ used when copper bus bar surge protection is not needed						
(Modules Ordered Separately)						

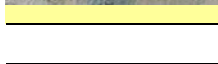

TEI P/N: 155-1012-2		700255440	11004581	See Contract	3 Years	2-3
5.2"H X 23"W X 5.23"D						
Panel, 3RU-23" Width. Vertical mount up to 24 DDPM-2 or 24 DDM-2 unprotected modules						
DS3 Panel with dual cable management rings/ used when copper bus bar surge protection is not needed						
(Modules Ordered Separately)						

Wall Bracket (Unprotected)						
TEI P/N: LBDDF2-L-0		700255441	11004584	See Contract	3 Years	1
3.55"H X 5.125W X 3.00" D						
L-Bracket, Left or Right						
Wall Mount L-Bracket. Accommodates up to 6 DDPM-2 or DDM-2 unprotected modules.						
Bracket can be configured in either left or right direction						
(Modules Ordered Separately)						

Tool Kit (Unprotected) BNC Termination 734/735 Cable						
TK2-17 Tool Kit (Includes		700248127	339919	See Contract	3 years	2
Manual cable stripping tool						
the CT4L Crimp Sleeve hand tool, STC1/STC-F						
Manual Cable Cutter, Center Crimp Tool, CD2-19 Die set for 735/734 Cable						

Tool Kit (Protected) BNC Termination for RG6 Cable						
TEI P/N: CD3-2		700248084	574534	See Contract	3 years	2
Use TK2-17 with Die Set to crimp RG6 Quad Shield Cable						

Connectors						
Loop Back Jack Connector, Jack to Jack adapter for loop back UAD-28		700248129	87249282	See Contract	3 years	1
BNC Straight Plug for RG6 Quad Shield Cable 105-1244-9		700254592	11002376	See Contract	3 years	1
BNC Straight Plug for 734 Cable UPL220-025		700248138	357138	See Contract	3 years	1
BNC Straight Plug for 735 Cable UPL220-026		700248139	356925	See Contract	3 years	1
