Feature for feature, there's no better Digital Spread Spectrum Analog Interface Cordless Telephone than the Uniden ANA 9710.

Features†:

- Digital Spread Spectrum Technology offers unparalleled range and best channel separation in the industry. It's the best defense against unwanted interference and it provides superior voice communication security.
- Display – The ANA 9710 provides quick and easy-to-read information with a 2-line, 16-digit dot-matrix display and 3 status icons.
- Redial, Pause, Search & Memory – The ANA 9710 is simple to use and comes equipped with these convenient one-touch features.
- Headset Jack – Allows for the connection of an optional headset (EXP 9530) for hands-free operation. Headset Jack is now located at the top of the handset for easier access.
- Conference – Allows you to add other parties to your call through your PBX.

- 3 Selectable Ring Tones and Vibrate Ringer – You can choose from 3 ring tones and each one can be set Hi or Low. Or, choose the Silent Alert (Vibration Mode) to receive calls without disturbing others and is ideal for noisier environments.
- Ringer ON/OFF Switch on the Handset – Allows you to turn off the ringer for unwanted calls.
- 4 Step Volume Control – The ANA 9710 lets you select from 4 levels of volume in your earpiece. (New HAC regulation compatible).
- Mute – Mute your phone for privacy while in your office or while walking through the halls. Just push ON/OFF switch.
- Page/Find – Allows you to page the handset from the base unit. You can also locate your misplaced handset by using same feature.
- Hold – Allows you to put your callers on hold via the handset.
- Transfer – Allows you to transfer calls to another line with one button through your PBX or Key System.
- 20-Number Memory – Allows you to store up to 20 phone numbers for quick and easy speed dialing.
- Hot Swap Battery – During a conversation, you can swap the battery in the handset without disconnecting the line. Swapping must be done within 20 seconds.

Additional features:

- Compact Handset – The ANA 9710 incorporates state-of-the-art compact design for optimum mobility.
- Standby Battery Recharge System – The ANA9710 comes equipped with a drop-in charge cradle to accommodate the backup battery charging system. (Optional backup battery is not included).
- 10 Channels – Support up to 10 simultaneous calls in any given environment.
- Belt Clip – A sturdy belt clip is included for maximum mobility.

Optional Accessories:

- Headset (EXP 9530)
- Spare Battery (BT-2499)
- Carrying Case (EXP 9783)
- Spare Charger (EXP 9785)
Sold without AC Adapter
