

BUILT FOR LIFE

2016 PRODUCT CATALOG

## SUPERIOR QUALITY SINCE 1886.

2016 Marks the 130th Anniversary of Carl Walther. For well over a century Walther has built firearms for the discerning individual who is looking for superior craftsmanship and incredible accuracy.

From humble beginnings in the Rhineland area, Carl Walther and his family have built a legacy of quality for firearms that is unparalleled in Europe and all over the world. Trusted models such as the PPK, TPH and P5 have solidified Walther in the history books and for good reason.

As a testament to our dedication to the consumer, Walther has introduced its very first mass produced .45 Auto Pistol, built from the ground up to compete in the American market place. Featuring Carl Walther's Signature ergonomics and our quick defense trigger, the PPQ 45 stands out with 12 round magazine capacity and fully ambidextrous controls. This addition as well as the introduction of our New PPS M2 is part of our commitment to listening to our customer and delivering the features they are looking for. Our PPS M2 also features a new push button magazine release, improved ergonomics and the superior accuracy that you have come to expect from a Walther.

We are thankful for our support from our loyal customers and as we step further into the 21st Century, Walther will continue to leave an indelible mark on handguns with innovations that stand apart and chart new paths for the future of the world of firearms.

# HIGH POWERED PERSONAL PROTECTION

New for 2016, Walther releases the PPQ in 45 Auto. This highlights a benchmark for the PPQ line and fills a gap in the caliber lineup. The 45 has an overall length of 7.4 inches, features a 4.25 inch barrel and a magazine capacity of 12 rounds. Every PPQ M2 is available with a trigger blade safety, striker safety and drop safety. The reversible magazine release and 3 dot sights round out a list of features tailored for today's shooter.

# THE ULTIMATE COMPACT HANDGUN

The PK380 is small, light, and stylish. Its small stature makes the PK380 perfect for concealed carry. A smaller frame means it's easy to conceal. The .380 caliber is powerful enough for any circumstance. The easy-to-operate slide, slight recoil, and ergonomic grip make this handgun a great choice for any shooter.

# THE WALTHER LEGENDARY LIFETIME LIMITED WARRANTY

The Walther Legendary Lifetime Limited Warranty gives you absolute confidence in your decision when you purchase a Walther. With Walther, you can rely on the precision of German engineering and the dependability of an American guarantee. Our warranty provides unwavering support for your new firearm and continues for the life cycle of the product as long as the company manufactures and supports it. If you purchase a Walther firearm, it carries its Legendary Warranty regardless of whether or not you are the original purchaser. This warranty covers Walther centerfire and rimfire firearms, produced after 1993 only and does not apply to antique, limited edition or custom firearms.

If your Walther firearm has a defect in materials or workmanship, please contact Walther or return the firearm, postage paid, with a brief description of the problem to us at the following address for a repair or replacement at no cost to you:

**Walther Arms, Inc. - 7700 Chad Colley Blvd | Fort Smith, AR 72916**

This Warranty does not cover cosmetic blemishes or wear and tear associated with normal use. This warranty does not cover any problems caused by abuse, misuse, or acts of God. This Warranty does not cover defects or damage caused by the use of parts or service not provided by Walther. Walther assumes no liability for consequential, punitive or other damages (except as set forth herein) related to a claim under this warranty. A service and/or handling charge may be required for non-warranty repairs. This warranty applies to the United States of America and covers only firearms currently produced and supported by Walther and distributed by Walther Arms, Inc. in Fort Smith, Arkansas in the United States of America. This warranty does not cover firearms that have been discontinued by Carl Walther or Walther Arms, Inc. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

### Sean Dexter

Serving over 20 years as a California Law Enforcement professional, Sean Dexter is the most seasoned veteran of the Walther shooting team and represents Walther in 3-gun. Competing in 3-gun competitions for over 25 years, Sean's experience places him among the top ranked in the heavy optics division among shooters in his class.

### Michelle Waldran

Relatively new to competitive shooting, Michelle Waldran represents Walther in 3-gun and picked up the sport while taking a concealed carry course. Her quick target acquisition skills and ability to react quickly landed her sponsorships from industry professionals such as Taran Tactical and others. A spectacular ambassador for action shooting, Michelle is always anxious to share experiences with those new to firearms and the shooting sports.

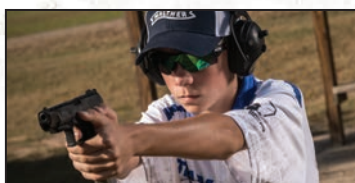

### Scott Lewis

Serving over 20 years as a Arkansas Law Enforcement professional, Scott represents Walther in the IDPA arena. A highly competitive instructor, Lewis has taught several concealed carry courses as well as firearms safety instruction courses. Scott has also represented Walther Arms to local law enforcement at area demonstrations.

### Heath Parsons

Shooting since he was eight years old, Heath Parsons represents Walther in the world of production class in the USPSA. Heath holds twelve 1st place open titles from 2015 and is on his way to securing more in 2016. Working together with his son Ayden, Heath is passing on a time honored tradition of teaching his son the value of responsible and competitive marksmanship.

### Ayden Parsons

Son of Heath Parsons, Ayden also represents Walther in the world of production class in the USPSA. Ayden began shooting competitively in 2013 and quickly took to the open division of USPSA. In 2015 Ayden captured 11 titles and shows no sign of slowing down in 2016.
