## Product Obsolescence Notification

**WJOBS04AUG2004**

**For WJ Communications Customers**

**Notification Date: 4 Aug 2004**

The AH102, GaAs MESFET, Medium Power, High Linearity Amplifier, is being replaced by AH102A. Last time buys for the AH102 will be offered until November 17, 2004. Shipments from WJ must be accepted before December 17, 2004.

During the AH102 warranty period, replacement parts will be made from AH102A.

The AH102A is now in full production. Customers can obtain the data sheet, qualification report, samples and application evaluation boards from the WJ web site at [www.wj.com](http://www.wj.com).
