Product Change Notification

WJPCN12OCT04

For WJ Communications Customers

Notification Date: 12 October 2004

Part Affected: EC1089B

Extent of Change:

The data sheet specification limit for gain will change from 11.5 dB min to 10.5 dB min.

Reason for Change:

The September 2004 data sheet was in error due to an incorrect calibration offset. There is no change to the design or performance of the EC1089B. There is no change to the production test set up. The only change is a correction to the data sheet.

Disposition of Current Inventory:

Use existing inventory as is.

Effective Date of Change:

The newly revised data sheet will be posted to our web site at www.wj.com and will show a date of October 2004.

If you have any questions, please contact Tad Custer, Product Line Manager, WJ Communications, at 408-577-6370 or Tad.Custer@WJ.com
