Please make the following alterations to the User's Manual IM WX102-01E.

■ **Page 5-11 The following has been added to section 5.5, "Stopping or Pausing Monitor display."**

Note

If you stop or pause the trend monitor and a scroll bar appears in the trend monitor screen, you can move the scroll bar to view up to 1800 past data. When you restart the monitor after pausing it, the past data are cleared.
