In-Flight

KOREAN

LEARN BEFORE YOU LAND

BOARDING PASS

Welcome to Living Language In-Flight Korean! This short and simple program is designed to give you just enough of the basics that you'll need to get by in Korean. Just listen to the native speaker of Korean and repeat in the pauses. The short lessons are easy to master, and once you've completed the program, you'll be able to speak and understand basic Korean. Let's get started.

That brings us to the end of Living Language In-Flight Korean. If you master just the words and expressions you've heard in this short survival course, you'll be able to get by in Korean. Of course, you may decide that you had a great time learning just a little bit, and now you'd like to learn more. If that's the case, Living Language offers great complete courses in a variety of languages, too. For now, though, we wish you the best of luck using all the Korean that you've learned with us so far.
