

Correction to Copper-Free Route to Triazole-Modified Peptidomimetic by the Combination of Two Multicomponent Reactions in One Pot

Teng-fei Niu, Lin Gu, Wen-bin Yi, and Chun Cai*

ACS Comb. Sci. 2012, 14 (5) 309–315. DOI: 10.1021/co3000117

Scheme 1. One-Pot Synthesis of Triazole-Modified Peptidomimetics

A typographical error appears in Scheme 1, structure 4{1}, although it is correct elsewhere. The correct structure of 4{1} should be as shown below:

The incorrect structure from the original paper is shown below:

The corrected Scheme 1 is also shown.
