

Correction to Inhibitors of Kethexokinase: Discovery of Pyrimidinopyrimidines with Specific Substitution that Complements the ATP-Binding Site

Bruce E. Maryanoff,* John C. O'Neill,* David F. McComsey, Stephen C. Yabut, Diane K. Luci, Alfonzo D. Jordan, Jr., John A. Masucci, William J. Jones, Marta C. Abad, Alan C. Gibbs, and Ioanna Petrounia

ACS Med. Chem. Lett. **2011**, *2* (7), 538–543. DOI: 10.1021/ml200070g

The heading to Table 3 contains an error with respect to the compound number. The correct version follows: “Table 3. Structures and KHK Inhibition Results for Analogues of **8** with Variation of R₂ and R₃”.
