We recognize the contribution of Associate Prof. Dr. Thomas Dick to the research described in the manuscript (*ACS Med. Chem. Lett.* **2013**, *4* (5), pp 451–455) and therefore include him as an author. He is affiliated with the Department of Microbiology, Yong Loo Lin School of Medicine, National University Health System, National University of Singapore, 5 Science Drive 2, Block MD4A, Singapore 117597.
