Correction to Ultrafast Thermal Analysis of Surface Functionalized Gold Nanorods in Aqueous Solution [*ACS Nano* **2013,** *7*, 589−597. DOI: 10.1021/nn304738u]. Jingyu Huang, Jonglo Park, Wei Wang, Catherine J. Murphy,* and David G. Cahill*

Equations 8 and 9 are missing a "2" before the "*h*" in each of them. The calculations in the paper were properly performed, and no analysis or conclusions of the paper are affected. The correct equations are listed here:

$$L = L_{GNR} + 2h \qquad (8)$$

$$d_{CS} = d_{GNR} + 2h \qquad (9)$$
