

## Correction to Hierarchically Built Hetero- superstructure Arrays with Structurally Controlled Material Compositions

[*ACS Nano* 2013, 7, 7513–7523. DOI: 10.1021/nn400963a].

Vignesh Suresh, Srinivasan Madapusi, and  
Sivashankar Krishnamoorthy\*

On page 7522, the Acknowledgment currently reads:

Funding support received from Joint Council Office (JCO) of the Agency for Science Technology and Research (A\*STAR), through grant 10/3/EG/05/04, and from IMRE through grant IMRE/08-1C0314 is gratefully acknowledged. The authors appreciate Ren Bin (IMRE) for assistance with ALD of TiO<sub>2</sub>, H. Y. Low (IMRE) Low (IMRE) for her support, and SnFPC, IMRE, for access to fabrication and characterization facilities. V.S. thanks National University of Singapore (NUS) for a grant of research scholarship.

Instead, it should read:

Funding support received from Joint Council Office (JCO) of the Agency for Science Technology and Research (A\*STAR), through grant 10/3/EG/05/04, and from Institute of Materials Research and Engineering (IMRE) through grant IMRE/08-1C0314 is gratefully acknowledged. The additional support received from Fonds National de la Recherche Luxembourg (FNR) through VISICAT project toward final steps of this publication is gratefully acknowledged. The authors appreciate Ren Bin (IMRE) for assistance with ALD of TiO<sub>2</sub>, H. Y. Low (IMRE) and D. Lenoble (CRP Gabriel Lippmann) for their support, and SnFPC, IMRE, for access to fabrication and characterization facilities. V.S. thanks National University of Singapore (NUS) for a grant of research scholarship.
