

Correction to Hybrid Nanocluster Plasmonic Resonator for Immunological Detection of Hepatitis B Virus [*ACS Nano* 2012, 6, 7634–7643. DOI: 10.1021/nn3034056]. Mohamed Shehata Draz, Binbin Amanda Fang, Lanjuan Li, Zhi Chen, Yingjie Wang, Yuhong Xu, Jun Yang, Kevin Killeen, and Fanqing Frank Chen*

We would like to correct the institution name for one of the authors in our article. The second author's institution should be corrected from "Life Sciences College, Fudan University, Shanghai 200433, China" to "School of Life Sciences, Fudan University, Shanghai 200433, China". We apologize for this oversight.
