

Correction to Gold-Nanocrystal-Enhanced Bioluminescent Nanocapsules

[*ACS Nano* 2014, 8, 9964–9969. DOI: 10.1021/nn504371h].

Juanjuan Du, Jing Jin, Yang Liu, Jie Li, Talar Tokatlian, Zuhong Lu, Tatiana Segura, Xu-bo Yuan,* Xianjin Yang, and Yunfeng Lu*

In Scheme 1a and Section 3.4 in Supporting Information, the depiction of HRP-catalyzed luminol oxidation was incorrect. The amine groups were missing in the structures of luminol and 3-aminophthalate. The correct depiction of this chemical reaction is illustrated in Figure 1 below.

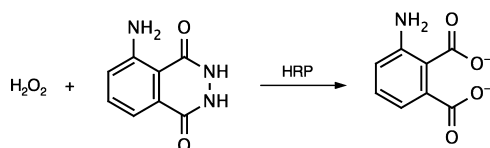

Figure 1. Luminescence reaction catalyzed by HRP.
