

Correction to Aluminum Conducts Better than Copper at the Atomic Scale: A First-Principles Study of Metallic Atomic Wires

[*ACS Nano* **2012**, *6*, 10449–10455. DOI: 10.1021/nn303950b]. Adam J. Simbeck,* Nick Lanzillo, Neerav Kharche, Matthieu J. Verstraete, and Saroj K. Nayak

Page 10451. The units “mA” along the vertical axis of Figure 2 are incorrect; the correct units are “ μ A”, in agreement with the abstract graphic on page 10449.
