

Errata: "Recent Experimental Evidence Bearing on Satellite Drag Coefficients"

KENNETH MOE*

University of California, Los Angeles, Calif.

[AIAA J., 6, 1375-1377 (1968)]

PROFESSOR J. B. Fenn of Yale has informed the author of the following errors:

1) Reference 7 should have been a paper by Abuaf and Marsden published in the *Proceedings of the Fifth International Symposium on Rarefied Gas Dynamics*; the symposium was held at Oxford University in 1966.

2) In line 8 of paragraph 1 on p. 1376, the lower value of the helium energy should read 0.06 ev, not 0.6 ev.

Received July 17, 1968.

* Assistant Research Geophysicist, Institute of Geophysics and Planetary Physics; presently Senior Engineer/Scientist, Atmospheric Sciences, Space Sciences Department, Douglas Missile & Space Systems Division, Santa Monica, Calif. Member AIAA.
