

Thanks also go to the dynamic duo of Ruth Bryans and Anne Huth through a hectic year of changes in compositors and strikes, plus their tremendous work in sorting out the publication survey. At my end of the scene, Irene Scanzillo dispatched over a thousand papers promptly. Finally, thanks go to our many

reviewers listed below, who served conscientiously in anonymity, and who are the backbone of the quality of the technical papers which we published.

January 1973

George W. Sutton
Editor-in-Chief

Reviewers for *AIAA Journal*, September 1, 1971–August 31, 1972*
