

It is again our annual pleasure to acknowledge the invaluable services performed by reviewers who have unselfishly devoted their time and skills to the critical examination of manuscripts submitted for publication in the *Journal of Aircraft*. The editors are wholly dependent on these experts in their fields, to maintain the qualities of accuracy, readability, and relevance

for which we strive. Remaining anonymous during the reviewing process, their names are presented here in grateful appreciation.

Carl F. Schmidt
Editor-in-Chief

October 1971

Reviewers for *Journal of Aircraft*, October 1, 1970–August 31, 1971*
