

when you need a prompt decision, call Ralph. Almost daily, Mrs. Anne Huth and your editor are talking by telephone about manuscripts, reviews, etc. Mrs. Huth is a valuable member of the *Journal of Aircraft* team.

Without authors and their papers, there would not be a *Journal of Aircraft*. We thank the authors for selecting the *Journal of Aircraft* as their journal for publication. Without

reviewers, the technical quality of the *Journal of Aircraft* would slip. Reviewers are the anonymous, unsung team members who help to produce the *Journal of Aircraft*. Once a year we express our gratitude to the reviewers for their time and talent. Their names are listed below.
