CLEANER PROCESSES = A "GREENER" BOTTOM LINE

Designing and maintaining processes that reduce wastes and emissions is as good for the bottom line as it is for your community and the planet. Work cleaner, smarter, and more cost-effectively with AIChE books like:

Advances in Forest Products: Environmental and Process Engineering

Cleaner processes for the pulp and paper industries, plus practical technologies for recycling paper products
1994 248pp Pub S-302 ISBN 0-8169-0663-7

List: \$75/International: \$105

AND COMING LATER THIS YEAR:**Pollution Prevention via Process and Product Modifications**

Identifying and addressing waste reduction opportunities in chemical and nuclear facilities

1995 Pub S-303 ISBN 0-8169-0664-5

List: \$75/International: \$105

Essential tools for today's environmentally-conscious engineer

AIChE Journal (ISSN 0001-1541) is published monthly by the American Institute of Chemical Engineers, 345 E. 47th St., New York, NY 10017. Manuscripts should be submitted to Editor Matthew V. Tirrell at the Dept. of Chemical Engineering and Materials Science, University of Minnesota, Minneapolis, MN 55455, phone (612) 625-5823, fax (612) 624-6564. The statements and opinions in the *AIChE Journal* are those of the contributors, and AIChE assumes no responsibility for them. Annual subscription rates: \$445 for nonmembers, \$60 for members, and \$30 for student members; outside U.S., add \$70 for postage. Single copies: \$45; outside U.S., add \$5 for postage. Second-class postage for domestic and air mail postage for foreign mailing paid at New York, NY and additional mailing offices. Copyright 1995 by the American Institute of Chemical Engineers. Subscribers are requested to give prompt notification of any change of address. Postmaster: Send changes of address to *AIChE Journal*, 345 East 47th St., New York, NY 10017.

Authorization to photocopy items for internal or personal use, or the internal or personal use of specific clients, is granted by AIChE for libraries and other users registered with the Copyright Clearance Center (CCC) Transactional Reporting Service, provided that \$3.00 per article plus \$1.50 per copy is paid directly to CCC, 222 Rosewood Drive, Danvers, MA 01923. This consent does not extend to copying for general distribution, for advertising or promotional purposes, for inclusion in a publication, or for resale. Articles published before 1988 are subject to the same copyright conditions and the fee for each article is \$3.00 plus \$1.50 per copy. *AIChE Journal* fee code: 0001-1541/95 \$3.00 per article plus \$1.50 per copy.
