

ADDITIONS AND CORRECTIONS

Vol. 34, 2001

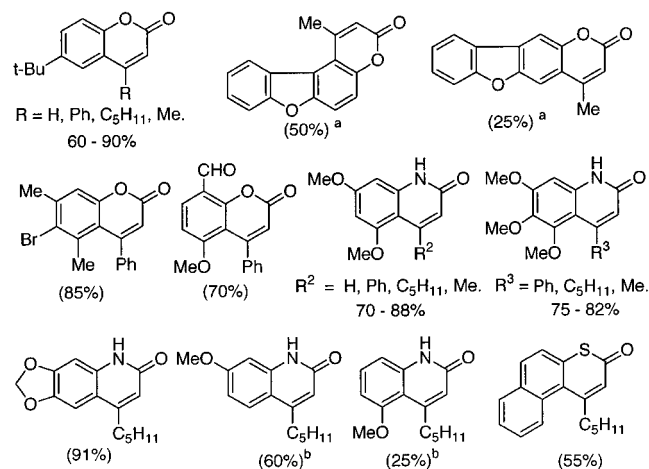

Chengguo Jia, Tsugio Kitamura, and Yuzo Fujiwara*:
Catalytic Functionalization of Arenes and Alkanes via C–H Bond Activation

Page 634. In the third paragraph in the right column, ref 8d should be 8e.

Page 635. Due to a production error, the top of Scheme 4 was cut off. The complete scheme is reprinted below. The electronic versions of the article, available on the Web, show the complete scheme.

Page 639. In refs 14a and 14c, “Monoxides” should be “Monoxide”.

Scheme 4. Typical Heterocyclic Compounds from Pd-Catalyzed Intramolecular Hydroarylation (Eq 11)

^{a,b} The two regioisomers from the same starting materials, respectively. (The numbers in parenthesis refer to the yield.)
