

Additions and Corrections

Volume 8, 1975

Bernard Miller: Too Many Rearrangements of Cyclohexadienones.

Page 254. In Table II, all references to ref 38a should be to ref 38b.

Author Index to Volume 8, 1975

Cumulative author and subject indexes for Volumes 1-5 appear in Volume 5, and cumulative indexes to Volumes 6-10 are planned for Volume 10.
