Call for Buerger Award nominations

The triennial award of the Buerger Prize will be made at the Atlanta meeting of the American Crystallographic Association at the end of June 1994. This Award, established in 1983, is intended to recognize mature scientists who have made contributions of exceptional distinction in areas of interest to the ACA. There are no restrictions on the nominees or nominators. Martin J. Buerger, Institute Professor Emeritus at the Massachusetts Institute of Technology and University Professor Emeritus of the University of Connecticut, was a mineralogist who made major contributions to many areas of crystallography. The Award consists of \$3000. Previous recipients were William P. Busing (1985), George A. Jeffrey (1988) and Jack D. Dunitz (1991).

Nominations are invited from throughout the crystallographic community. They should be submitted in writing to the Chair of the Award Committee, K. N. Trueblood, or to any member of the Committee. The major contributions made by the nominee should be identified, with supporting documentation.

The closing date for nominations is **15 January 1994**; earlier nominations will be appreciated.

The members of the 1994 Buerger Award Committee of the ACA are:

Chair:

Professor K. N. Trueblood, Department of Chemistry and Biochemistry, University of California, Los Angeles, CA 90024-1569, USA

Members:

Professor Carolyn P. Brock, Department of Chemistry, University of Kentucky, Lexington, KY 40506-0055, USA
