

1. Prices for 2003

The subscription rates and prices for back numbers as from 1 January 2003 are given in Table 1.

There will be a 5% discount on the prices of the individual sections for subscribers taking out combined subscriptions to *Sections A+B+C+D* and *Sections A+B+C* of *Acta Crystallographica*. Individuals may also take out a subscription to *Sections A+B+D* at a discount of 5%. Subscribers taking out a combined subscription to *Journal of Applied Crystallography* and *Journal of Synchrotron Radiation* will receive a discount of 5%.

The reduced-rate (personal) subscriptions are ordinarily only available to members of recognized scientific societies, and applications must be accompanied by a written undertaking that the journal is for the personal use of the subscriber and will not be made available to libraries, institutions *etc.* These conditions also apply to persons wishing to order back volumes at the reduced rates.
