A printer's error is corrected. In Pattanayek, Dattagupta, Bhattacharyya & Saha [*Acta Cryst.* (1984). C40, 294–297] an incorrect value is given for  $R_w$  in the *Experimental* section. The correct value is 0.055.

The last co-author of the paper Freeman, Fisher & Seok-Hwan [*Acta Cryst.* (1984). C40, 502–504] is wrongly named. The correct name is as indicated in the title of this erratum (S. H. Kong).
