

*Acta Cryst.* (1989). C45, 696

**Structure of bis(ethylenediamine)isothiocyanatocopper(II) tetrafluoroborate, violet isomer. Erratum.** By M. KOMAN, Ľ. MACAŠKOVÁ and G. ONDREJOVIČ, *Department of Inorganic Chemistry, Slovak Technical University, 812 37 Bratislava, Czechoslovakia*, B. KOREŇ, *Department of Chemical and Technical Physics, Slovak Technical University, 812 37 Bratislava, Czechoslovakia* and L. P. BATTAGLIA and A. BONAMARTINI-CORRADI, *Istituto di Chimica Generale ed Inorganica, Università di Parma, 43100 Parma, Italy*

(Received 17 February 1989)

**Abstract**

In the paper by Koman, Macašková, Ondrejovič, Battaglia & Bonamartini-Corradi [*Acta Cryst.* (1988), C44, 245–246] the

incorrect space group was given. The correct space group is *Pnma*.

All relevant information is given in the *Abstract*.
