(Received 22 April 1997)

An error in the *Abstract* of the paper by Hempel, Camerman, Grierson, Mastropaolo & Camerman [*Acta Cryst.* (1996), C52, 3207–3210] is corrected. The fourth sentence should read ‘The absolute configuration at S13 for compounds (2), (3) and (5) is *S*, *R* and *S*, respectively.’
