## Retraction of articles

This article reports the retraction of five articles published in *Acta Crystallographica Section E* between 2004 and 2011.

After further thorough investigation (see Harrison *et al.*, 2010), five articles are retracted as a result of problems with the data sets or incorrect atom assignments. Full details of all the articles are given in Table 1.

**Table 1**

Details of articles to be retracted, in order of publication.
