ADVANCED FUNCTIONAL MATERIALS

An abstract 3D illustration featuring numerous green, glossy spheres of varying sizes. Some spheres are clustered together, while others are scattered. A dense network of brown, fibrous, thread-like structures weaves through the lower half of the image, with many green spheres resting on or attached to these fibers. In the upper left, a large, dark green, circular shape is partially visible, with a bright blue beam of light shining down from it towards the center. The background is a soft, light pinkish-purple gradient.
