

Angewandte Corrigendum

In this Minireview, trinuclear methylidene complexes by Zhou et al. (**3a**, **3b**) were described, but the ligand system was incorrectly reported. As supporting ligand *N,N'*-bis(diisopropylphenyl)benzamidinate was used. Schemes 3 and 14 also contain this error. The correct schemes are shown below.

Rare-Earth-Metal Methylidene Complexes

J. Kratsch, P. W. Roesky* — 376–383

Angew. Chem. Int. Ed. 2014, 53
