

Publishers Note

We are pleased to announce the opening of a new U.S.A.-based receiving centre. Dr. Richard J. Whitley, of the Department of Pediatrics, The University of Alabama, Birmingham, AL, has agreed to join Professors Billiau and De Clercq as an Executive Editor of Antiviral Research from this issue on. With immediate effect, therefore, articles may be submitted to Dr. Whitley who will arrange for their speedy consideration. The addresses of all Editors may be found on the inside front cover of this issue.

We hope you will make full use of the broadening of the Executive Editorial base that this appointment brings and am sure you will join us in wishing Dr. Whitley well in his new function.
