

Subject Index

- 4-Guanidino-Neu5Ac2en**; Influenza; Sialidase; Neuraminidase (24) 351
- 5-(2-Bromovinyl)-2'-deoxyuridine analogue**; Antiviral activity; Herpes simplex virus type 1; Single crystal X-ray diffraction; MO calculation (24) 289
- Adenovirus**; Antiviral; Schiff bases of aminohydroxyguanine (24) 261
- Antibody**; Interferon; Interferon therapy; Viral hepatitis (24) 235
- Anti-hepatitis B antigen**; Interferon; Chronic hepatitis B; Pre-core mutants of HBV (24) 145
- Antiretroviral compound**; HIV; Thiosemicarbazone derivative (24) 305
- Anti-retroviral effect**; Interferon; HIV; Pathogenesis (24) 221
- Antiviral**; Adenovirus; Schiff bases of aminohydroxyguanine (24) 261
- Antiviral**; Nucleoside; Pyrimidine (24) 315
- Antiviral activity**; HIV-1; Azidothymidine; Derivative; Liposome (24) 79
- Antiviral activity**; Herpes simplex virus type 1; 5-(2-Bromovinyl)-2'-deoxyuridine analogue; Single crystal X-ray diffraction; MO calculation (24) 289
- Antiviral agent**; Hepatitis B; Hepatitis C; Thymic peptide; Interferon (24) 245
- Azidothymidine**; HIV-1; Derivative; Liposome; Antiviral activity (24) 79
- AZT**; HIV; Nucleotide; Pro-drug (24) 69
- Catabolic pathway**; Interferon; Side-effects; interferon (24) 111
- Cell culture**; HBV; HDV; Experimental model; Interferon (24) 121
- Chronic hepatitis**; Interferon; Hepatitis C (24) 155
- Chronic Hepatitis**; Interferon; Hepatitis delta virus; Cirrhosis (24) 165
- Chronic hepatitis B**; Interferon; Anti-hepatitis B antigen; Pre-core mutants of HBV (24) 145
- Cirrhosis**; Interferon; Hepatitis delta virus; Chronic Hepatitis (24) 165
- Condyloma acuminata**; Papillomavirus; Wart; Viral replication (24) 1
- Cottontail rabbit papillomavirus**; Interferon; Human papillomavirus; Viral replication/transformation; Human xenograph and human skin equivalent model; Experimental model (24) 175
- CTC-96**; Papillomavirus; Rabbit; Topical application (24) 27
- Derivative**; HIV-1; Azidothymidine; Liposome; Antiviral activity (24) 79
- Enzyme kinetics**; HIV reverse transcriptase; Mutant; Inhibitor (24) 43
- Experimental model**; HBV; HDV; Cell culture; Interferon (24) 121
- Experimental model**; Interferon; Human papillomavirus; Cottontail rabbit papillomavirus; Viral replication/transformation; Human xenograph and human skin equivalent model (24) 175
- Flavivirus**; HPA-23; RNA-dependent RNA polymerase (24) 341
- Foscarnet**; Human cytomegalovirus; Ganciclovir; MSL-109 (24) 17
- Ganciclovir**; Human cytomegalovirus; Foscarnet; MSL-109 (24) 17
- Genital wart**; Interferon; Human papillomavirus; Interferon therapy (24) 191
- Genotype**; Type I murine interferon response; Viral inducer; Reverse transcription-polymerase chain reaction (24) 327
- HBV**; HDV; Experimental model; Cell culture; Interferon (24) 121
- HBV-DNA**; Hepatitis B, HBeAg; IFN- γ ; Interferon (24) 137
- HDV**; HBV; Experimental model; Cell culture; Interferon (24) 121
- Hemagglutinin**; Influenza virus; Norakin (triprimer) (24) 37
- Hepatitis B**; Hepatitis C; Interferon (24) 131
- Hepatitis B**; Hepatitis C; Thymic peptide; Antiviral agent; Interferon (24) 245
- Hepatitis B, HBeAg**; HBV-DNA; IFN- γ ; Interferon (24) 137
- Hepatitis C**; Hepatitis B; Interferon (24) 131
- Hepatitis C**; Hepatitis B; Thymic peptide; Antiviral agent; Interferon (24) 245
- Hepatitis delta virus**; Interferon; Cirrhosis; Chronic Hepatitis (24) 165
- Herpes simplex virus type 1**; Antiviral activity; 5-(2-Bromovinyl)-2'-deoxyuridine analogue; Single

- crystal X-ray diffraction; MO calculation (24) 289
- HIV**; AZT; Nucleotide; Pro-drug (24) 69
- HIV**; Interferon; Anti-retroviral effect; Pathogenesis (24) 221
- HIV**; Antiretroviral compound; Thiosemicarbazone derivative (24) 305
- HIV-1**; Azidothymidine; Derivative; Liposome; Antiviral activity (24) 79
- HIV-1**; Interferon (24) 205
- HIV reverse transcriptase**; Mutant; Enzyme kinetics; Inhibitor (24) 43
- HIV type 1**; Reverse transcriptase; NNRTI; Synergism (24) 275
- HPA-23**; Flavivirus; RNA-dependent RNA polymerase (24) 341
- Human cytomegalovirus**; Ganciclovir; Foscarnet; MSL-109 (24) 17
- Human papillomavirus**; Interferon; Cottontail rabbit papillomavirus; Viral replication/transformation; Human xenograph and human skin equivalent model; Experimental model (24) 175
- Human papillomavirus**; Interferon; Genital wart; Interferon therapy (24) 191
- Human xenograph and human skin equivalent model**; Interferon; Human papillomavirus; Cottontail rabbit papillomavirus; Viral replication/transformation; Experimental model (24) 175
- IFN-**; Hepatitis B, HBeAg; HBV-DNA; Interferon (24) 137
- Influenza**; 4-Guanidino-Neu5Ac2en; Sialidase; Neuraminidase (24) 351
- Influenza virus**; Hemagglutinin; Norakin (triperiden) (24) 37
- Inhibitor**; HIV reverse transcriptase; Mutant; Enzyme kinetics (24) 43
- Interferon**; Viral infection; Interferon biological system; Natural defense (24) 97
- Interferon**; Catabolic pathway; Side-effects; interferon (24) 111
- interferon**; Interferon; Catabolic pathway; Side-effects (24) 111
- Interferon**; HBV; HDV; Experimental model; Cell culture (24) 121
- Interferon**; Hepatitis B; Hepatitis C (24) 131
- Interferon**; Hepatitis B, HBeAg; HBV-DNA; IFN- (24) 137
- Interferon**; Anti-hepatitis Be antigen; Chronic hepatitis B; Pre-core mutants of HBV (24) 145
- Interferon**; Hepatitis delta virus; Cirrhosis; Chronic Hepatitis (24) 165
- Interferon**; Human papillomavirus; Cottontail rabbit papillomavirus; Viral replication/transformation; Human xenograph and human skin equivalent model; Experimental model (24) 175
- Interferon**; Human papillomavirus; Genital wart; Interferon therapy (24) 191
- Interferon**; HIV-1 (24) 205
- Interferon**; HIV; Anti-retroviral effect; Pathogenesis (24) 221
- Interferon**; Antibody; Interferon therapy; Viral hepatitis (24) 235
- Interferon**; Hepatitis B; Hepatitis C; Thymic peptide; Antiviral agent (24) 245
- Interferon**; Hepatitis C; Chronic hepatitis (24) 155
- Interferon biological system**; Interferon; Viral infection; Natural defense (24) 97
- Interferon therapy**; Interferon; Human papillomavirus; Genital wart (24) 191
- Interferon therapy**; Interferon; Antibody; Viral hepatitis (24) 235
- Liposome**; HIV-1; Azidothymidine; Derivative; Antiviral activity (24) 79
- MO calculation**; Antiviral activity; Herpes simplex virus type 1; 5-(2-Bromovinyl)-2'-deoxyuridine analogue; Single crystal X-ray diffraction (24) 289
- MSL-109**; Human cytomegalovirus; Ganciclovir; Foscarnet (24) 17
- Mutant**; HIV reverse transcriptase; Enzyme kinetics; Inhibitor (24) 43
- Natural defense**; Interferon; Viral infection; Interferon biological system (24) 97
- Neuraminidase**; 4-Guanidino-Neu5Ac2en; Influenza; Sialidase (24) 351
- NNRTI**; HIV type 1; Reverse transcriptase; Synergism (24) 275
- Norakin (triperiden)**; Influenza virus; Hemagglutinin (24) 37
- Nucleoside**; Antiviral; Pyrimidine (24) 315
- Nucleotide**; HIV; AZT; Pro-drug (24) 69
- Papillomavirus**; Wart; Condyloma acuminata; Viral replication (24) 1
- Papillomavirus**; Rabbit; CTC-96; Topical application (24) 27
- Pathogenesis**; Interferon; HIV; Anti-retroviral effect (24) 221
- Pre-core mutants of HBV**; Interferon; Anti-hepatitis Be antigen; Chronic hepatitis B (24) 145
- Pro-drug**; HIV; AZT; Nucleotide (24) 69
- Pyrimidine**; Antiviral; Nucleoside (24) 315
- Rabbit**; Papillomavirus; CTC-96; Topical application (24) 27
- Reverse transcriptase**; HIV type 1; NNRTI; Synergism (24) 275
- Reverse transcription-polymerase chain reaction**;

- Type I murine interferon response; Genotype; Viral inducer (24) 327
- RNA-dependent RNA polymerase**; HPA-23; Flavivirus (24) 341
- Schiff bases of aminohydroxyguanidine**; Adenovirus; Antiviral (24) 261
- Sialidase**; 4-Guanidino-Neu5Ac2en; Influenza; Neuraminidase (24) 351
- Side-effects**; Interferon; Catabolic pathway; interferon (24) 111
- Single crystal X-ray diffraction**; Antiviral activity; Herpes simplex virus type 1; 5-(2-Bromovinyl)-2'-deoxyuridine analogue; MO calculation (24) 289
- Synergism**; HIV type 1; Reverse transcriptase; NNRTI (24) 275
- Thiosemicarbazone derivative**; HIV; Antiretroviral compound (24) 305
- Thymic peptide**; Hepatitis B; Hepatitis C; Antiviral agent; Interferon (24) 245
- Topical application**; Papillomavirus; Rabbit; CTC-96 (24) 27
- Type I murine interferon response**; Genotype; Viral inducer; Reverse transcription-polymerase chain reaction (24) 327
- Viral hepatitis**; Interferon; Antibody; Interferon therapy (24) 235
- Viral inducer**; Type I murine interferon response; Genotype; Reverse transcription-polymerase chain reaction (24) 327
- Viral infection**; Interferon; Interferon biological system; Natural defense (24) 97
- Viral replication**; Papillomavirus; Wart; Condyloma acuminata (24) 1
- Viral replication/transformation**; Interferon; Human papillomavirus; Cottontail rabbit papillomavirus; Human xenograph and human skin equivalent model; Experimental model (24) 175
- Wart**; Papillomavirus; Condyloma acuminata; Viral replication (24) 1
