

ANNOUNCEMENT

INTERNATIONAL SYMPOSIUM ON CENTRAL AND PERIPHERAL ENDORPHINS: BASIC AND CLINICAL ASPECTS

An International Symposium will be held in Viareggio, Italy from 6 to 8 October 1983. It will follow immediately a companion Meeting held in Florence on The Opioid Regulation of the Endocrine Function. The program will include invited lectures, selected free communications and posters on the neuroanatomy, chemistry, pharmacology and physiopathology of endorphin secretion as well as clinical aspects.

Scientists wanting to submit a short communication and/or poster presentation are requested to contact the Scientific Secretaries. For registration, travel and hotel accommodation contact the Organizing Secretariat.

Scientific Secretaries:

E. E. Müller and A. R. Genazzani
Department of Pharmacology of the University of Milan
Via Vanvitelli 32, 20129 Milan, Italy
phone (02) 717470
