

ERRATUM

Biochemical Pharmacology **33**, 671–677 (1984).

Z. RADIC, E. REINER and V. SIMEON. Binding sites on acetylcholinesterase for reversible ligands and phosphorylating agents. A theoretical model tested on haloxon and phosphostigmine.

In Table 1, the value of the K_m or K_{ss} constant for coumarin should read 3.9 and not 2.9.
