

## ERRATUM

*Biochemical Pharmacology* **33**, 1831–1838 (1984)

KEITH A. A. FOX, STEVEN R. BERGMANN and BURTON E. SOBEL. Coronary thrombolysis: Pharmacological considerations with emphasis on tissue-type plasminogen activator (t-PA).

The publisher regrets that the above article appeared with an error that was noted by the authors at the galley proof stage but was not corrected by the press before the paper was printed. On p. 1834, column 2, six lines from the bottom of the page: “(approximately 0.1 M)” should read “(approximately 0.1 nM)”.
